~~How to Start Investing in Stocks: A Beginner's Guide~~

With stocks you can make money in three ways. You can make money when in trading the stock goes up in value, make money when the company pays you dividend (profit of the company) and when the stocks go down in value. If you don't have a big budget and if you are in for a short-term profit then we would recommend you to invest in cfd's instead of stocks.
