The Ten Principal Upanishads was compiled and translated to English by Shree Purohit Swami and W.B.Yeats.More than 200 Upanishads are known and they are all text explaining the Vedas, passed down orally. The Upanishads selected for this introductory book are:. The Lord (Eesha-Upanishad)

The Ten Principal Upanishads - download the PDF here

The Upanishads would become more popular, however, after the 1944 CE publication of the novel The Razor ' s Edge by the British author Somerset Maugham (l. 1874-1965 CE) who used a line from the Katha Upanishad as the epigraph to the book and the Upanishads as a whole as central to the plot and development of the main character.

This book is a thoroughly researched primer on the 108 Upanishads, philosophical treatises that form a part of the Vedas, the revered Hindu texts. These Upanishads contain the most crystallized bits of wisdom gleaned from Hinduism. Professor Dalal explains the concepts at the core of each Upanishad clearly and lucidly. Moreover, her vast, diverse philosophical and theological readings add priceless scholarly context, making this volume indispensable for students of religious studies.

In the ancient wisdom texts called the Upanishads, illumined sages share flashes of insight, the results of their investigation into consciousness itself. In extraordinary visions, they experience directly a transcendent Reality which is the essence, or Self, of each created being. They teach that each of us, each Self, is eternal, deathless, one with the power that created the universe.Easwaran's translation is reliable and readable, consistently the bestseller in its field. It includes an overview of the cultural and historical setting, with chapter introductions, notes, and a Sanskrit glossary. But it is Easwaran's understanding of the wisdom of the Upanishads, and their relevance to the modern reader, that makes this edition truly outstanding.Each sage, each Upanishad, appeals in different ways to the reader's head and heart. In the end, Easwaran writes, The Upanishads belong not just to Hinduism. They are India's precious legacy to humanity, and in that spirit they are offered here.

This translation is an essential and classic work of Advaita Vedanta. It is a consummate work of the spirit, an astonishing description of direct Nondual experience and understanding.H.H. Sri Chandrasekharendra Sarasvati, a Sankaracharya of the Kanchi Kamakoti Peetham, stated in glowing terms that the Ribhu Gita is to the Sivarahasyam what the Bhagavad Gita is to the Mahabharata.First-hand descriptions of the experience of Nonduality are precious and rare. None is more powerful than this classic. Its uncompromising declaration communicates the uninterrupted direct experience of the Sage known as Ribhu. The language is accessible, forceful -- and points clearly beyond the limits of time and circumstance. The Indian cultural frame, traditional dialog between Guru and disciple, is subsumed into the directly penetrating insight that is absolute, beyond any concept.In this second edition, footnotes have been added presenting alternative meanings to the word or phrase immediately preceding the footnote number or show the Sanskrit word in transliterated form that has been translated into English. This second edition also contains an enhanced glossary from the original first edition. In addition, The 108 Names of Ribhu, in Sanskrit and English, is included in this new edition.May we all recognize in this text the freedom and happiness of the Absolute, our True Nature, as reflected in the words of the great Sage Ribhu!

Essence of the Upanishads - A Key to Indian Spirituality (Revised edition of Dialogue with Death, with new series preface and introduction - 19 new pages from transcripts of Easwaran's talks) Easwaran shows how the Katha Upanishad can help us understand our lives today Easwaran takes one of India's classic wisdom texts, the Katha Upanishad, and explains how it embraces all the key ideas of Indian spirituality within the context of a powerful mythic quest - the story of a young hero who ventures into the land of death in search of immortality. Illustrating the insights of the Katha through analogies and everyday examples, Easwaran shows how these ancient teachings help us gain a deeper understanding of our world and ourselves today.

Features significant works from the Vedic and Epic periods, the Heterodox and Orthodox systems, and contemporary Indian thought

The Upanishads are a group of texts in Hindu sacred literature that are considered to reveal the ultimate truth and whose knowledge is considered to lead to spiritual emancipation. In the Upanishads, we find the finest flowering of the Indian metaphysical and speculative thought. They are utterances of seers who spoke out of the fullness of their illumined experience. Upanishad is derived from upa (near), ni (down) and sad (to sit). Hence, the term implies the pupils, intent on learning, sitting near the teacher to acquire knowledge and truth. There are over 200 Upanishads but the traditional number is 108. Of them, only 10 are the principal Upanishads: Isha, Kena, Katha, Prashan, Mundaka, Mandukya, Tattiriya, Aitareya, Chhandogya and Brihadaranyaka. This book is a forerunner in introducing these primary Upanishads to the uninitiated.

Eighteen Upanishads.

This is the full edition of the early Upanisads, the central scriptures of Hinduism. Featuring Patrick Olivelle's acclaimed new English translation (Oxford, 1996), it also includes the complete Sanskrit text, as well as variant readings, scholarly emendations, and explanations of Olivelle's choices of particular readings. The volume also contains a concordance of the two recensions of the Brhadaranyaka Upanisad, and an extensive bibliography.
