Compared even to more modern work vans, the amount of paint on the floor and doors of this 1962 Econoline is impressive. This suggests perhaps this van did not see a lot of rough service. It is equipped with a 3-speed column-shift manual, a heater, and a foldaway passenger seat.

Retired Workhorse: Well-Preserved 1962 Ford Econoline

The Ford E series (also known as the Ford Econoline and Ford Club Wagon throughout various stages of its production) is a range of full-size vans produced by the American automaker Ford since 1960. Introduced for the 1961 model year as the replacement for the Ford F-series panel van, four generations of the model line have been produced.
