When Ford rolled out the Mustang in April 1964 it was an instant hit. Even with its immense popularity it didn't stop Ford Corporate, zone managers, and dealerships from taking it an extra step further. Just two short months later, the first special-edition Mustang debuted at the Indianapolis 500 tasked with pacing the race, and it's been full throttle ever since. This book examines more than 300 special-edition Mustangs from 1964 through today. Coverage includes factory offerings such as the 2001 Bullitt and SVT Cobras, regional promotions including the Twister Special, third-party tuners such as Roush and Saleen, and factory race cars including the 1968-1/2 Cobra Jets and the 2000 Cobra-R. You may find Mustangs in this book that you had no idea even existed! Never has a volume this detailed and with this many model Mustangs been offered published. The authors have taken their decades of research and logged them into a single compilation. Each Mustang is accompanied by production numbers, key features, and photos of surviving cars whenever possible. This book is sure to be a valued resource in your Mustang memorabilia collection! p.p1 {margin: 0.0px 0.0px 0.0px; font: 12.0px Arial}

Introduce readers to the Ford Mustang, which was unveiled at the 1964 New York World's Fair. In its first two years of production, the four-seat sports car sold more than 1 million cars. The Mustang was a new class of car, the pony car. Other American automobile manufacturers copied Ford's design and specifications, but Ford has always been the company to do the pony car the best. Now in its sixth generation, the Mustang comes in a variety of packages, ranging from the standard V6

The People's Choice! Was there ever a car that captured the imagination of the public like the Ford Mustang? From the rich and famous, to the down and out, to moms, dads, teens and seniors ... everybody seemed to love the Ford pony car. From the moment it landed in showrooms as a 1964 ½ model, the Mustang was a runaway winner. In Mustang, The Original Pony Car, you'll get a guided tour through every year of Mustang, from the original first-year coupes and convertibles, to the wildly popular Fox body cars of the 1980s and '90s, to the fantastic retro-styled fifth-generation 'Stangs of today. Get the full story of the Mustang's long and colorful life, complete with more than 200 photos covering every year of the car's history.

Has any American car captured the balance between performance and style more perfectly than Ford's Mustang? Instantly recognizable and universally respected, the Mustang sets the standard for American automotive performance and innovation. Marking the 40th anniversary of America's favorite pony car, Mustang; Forty Years is a complete retrospective, from the postwar fixation on style and speed that spawned the Ford Mustang, to the completely new model waiting just around the corner. Covering every car, including the stock Ford models, Shelby GTs, Cobras, Bosses, Mach 1s, and many more, with extensively researched text and brilliant color photography, David Newhardt and Randy Leffingwell present the most comprehensive Mustang book available. Filled with company history, statistics, engine specifications, design changes, and personal stories from the board room to the race track, Mustang - Forty Years is a book for Mustang fans of all ages to enjoy for the next forty years and beyond! Award-winning writer and photographer, author Randy Leffingwell combines his fascination for all things mechanical with his considerable writing talent and a photographic eye honed by his years as a staff photographer for the Los Angeles Times to create fascinating and beautifully illustrated books about cars, motorcycles, and tractors.

Come along on Mustang's wild ride to automotive success. In the early 1960s, Lee Iacocca - then director of the Ford division at Ford Motor Company - convinced Henry Ford II to produce a sporty four-seat car aimed at the emerging youth market. That car, essentially a reconfigured and re-skinned Falcon economy car, became the Ford Mustang, and it changed the automotive world like no other car before or since. In Ford Mustang: America's Original Pony Car, acclaimed

Mustang writer Donald Farr celebrates this unbroken lineage of muscle. He chronicles the car's phenomenal first-year sales, the new pony car category it pioneered, and subsequent models that include the Mustang GT, Shelby GT350, Shelby GT500, Super Cobra Jet, Boss 302, and Boss 429 - all part of a line of American performance cars that continues to this day. Created in cooperation with Ford Motor Company and featuring some 400 photos from its historic and media archives, Ford Mustang is a must on the bookshelf of any muscle car or Ford aficionado.
