My creator has taken an artistic journey and expanded me into a Book complied of crazy digital abstract paintings. She has put me on Hoodies, T-Shirts (long and short sleeved), and is now doing customized prints of other riders Pride and Joy, their bikes! have seemed to taken an interest in me before I even knew wherwe I was going, what a rush it is! The more bikes I get to take on, in an artistic way of course, the more alive I feel. What an empowering journey this is to be a part of something so creative and so different and most importantly being a part of something that captures the very essence of ones glory. To feel the wind at your back, the sun beating down on you, and the energetic force that is the motorcycle! My heart races when I can hear a growl, flying down an open road and it almost seems to whisper catch me if you can. For all those who share the same thrill and love of the ride, youve got to check me out, Steel and Ice Motorcycle Art!!! Cheers all, and remember to always take your friends with you on your journeys!
