Based on real-life experience and written by expert authors, the books in the Maintenance and Upgrades Manual series from Crowood will help owners develop the workshop skills needed for the maintenance and repair of their cars, and give guidance on possibilities for improvements and upgrades to performance. With step-by-step instructions and safety information throughout, this book is a valuable technical resource for owners of Series II, IIA and III Land Rovers. The book covers: choosing and buying a Series II or III Land Rover; maintenance and service procedures; detailed guides for repair and maintenance of each of the car's systems, including brakes, steering and suspension, engine, clutch and transmission, axles, hubs and propshafts, and electrical systems; repairing and preventing corrosion; upgrades for reliability, comfort, performance and off-roading; rebuilding a Series II or III Land Rover: things to know before you take on a project car. This practical guide and technical resource for all Series II, IIA and III owners and Land Rover enthusiasts is fully illustrated with over 280 colour photographs.

A soup-to-nuts introduction to small, economical sailing craft Trailer sailers--the smallest, most economical sailboats with sleeping accommodations--are a popular platform for learning the basics of sailing and are often considered to be the entry level to cruising under sail. Author Brian Gilbert shows how trailer sailers can be the ideal craft for a lifetime of enjoyment, including serious, long-distance cruising. This book covers all the bases, including how to inspect, buy, and equip a boat; how to trailer, sail, navigate, and cruise in small boats; how to use communications and navigation equipment; and more.

Covers Series III, Truck, GS, FFR, half-ton, 4X4 vehicles

Buying a Range Rover, Land Rover Discovery or Defender can be just the start of a wonderful adventure. This book describes the options available to the owner, from big wheels and suspension lifts, under-body protection and tuning ideas, right up to how to convert the car into a high speed racer or an international expedition vehicle. with clear, jargon-free instructions, advice on events like family weekend green-laning, international expeditions and full-on competition, accompanied by colour photographs throughout, this is the definitive guide to getting the most from these exciting vehicles.

This book will be a completely revised and updated version of the Land Rover 90, 110 and Defender Restoration Manual (H600), containing a great deal of new material, particularly on later Defender models which have become available since the original edition.

Covers all Discovery models from 1999 up to the end of the 2002 model year, including 4.0 V8 Petrol Engines and T5 Diesel engines.
