There are exactly 52 Mondays in the year 2014. The answer to this question is not always simple. Most of the time, it will equal the number of weeks in a year, but that's only true for some of the days of the week. Most years have 365 days, but a leap year has 366 days.

If You Knew What Can Happen In The Next 52 Mondays It Would Take Your Breath Away" Stop and think about it. If you had started something new and worked on it every week since one year ago, what might you have been able to accomplish? Twelve months, after all, is plenty of time to start accruing success.

'We're going to look everywhere,' said Anna. And they did. When Anna sets out to find the doll of her dreams, her two younger sisters are eager to help. But it's not easy. This is 1960s Australia and there's no computer or internet yet. This is a time when teachers still write with chalk, cars have no seatbelts, and Mr Whippy sells ice-cream cones for half a penny. Anna and her sisters fill their days with fun, mischief and adventure - like the time Anna glues a block of wood to her middle sister's foot, then worries it will be stuck there forever! They celebrate birthdays and Passover together, cope with friends being mean, and feed peanuts to the bears at the zoo. But through it all, Anna never loses sight of her dream. Inspired by the author's real childhood, this is a warm, funny and fascinating family story from the author of The Family with Two Front Doors.

52 Mondays, 52 Activities, 52 Ways to Make a Life-Enhancing Difference. Monday used to be the least favorite day of the week. Monday was the day that ended the weekend; the day you had to go back to work; and the day you started a diet or decided to quit smoking...again. Not anymore! Authors Matthew Emerzian and Kelly Bozza do a total makeover on the bad image of Mondays and make that day mean something amazing, something incredible, something unbelievable. Every Monday Matters does this by taking 52 Mondays, providing 52 creative but doable activities, giving 52 down-to-earth ways to make a difference, one for each Monday of the year. It's a perfect way to have a positive impact, get others involved, and make a difference in your life and the lives of others. Includes fifteen-minute bonus DVD providing two celebrity segments, a word from the authors, and codes to unlock special features of the EMM official website: EveryMondayMatters.com. Book is made from 95% recycled paper.

The thought of Monday for most people means fear, anxiety, unfulfilled dreams, endless to-do lists and a stagnant life situation. How do you deal with these challenges when your soul is running on empty? Thank God It's Monday delivers weekly shots of wisdom, inspiration, and encouragement to get you through the hardest day of the week.

Walt Johnson has been a rolling stone most of his life, moving from town to town and living on the edges of homelessness. Now he has run out of time as lung cancer has left him only months to live. Walt then begins a quest to find the son with whom he lost contact decades earlier. Out of money, he lands a job at a small-town restaurant in an attempt to save enough to buy a bus ticket to the last known whereabouts of his son. The friends Walt makes at his new job soon become family for him, especially 14-year-old Danny who is emotionally paralyzed at the loss of his own father in Iraq. Faced with Danny's struggles to grow up and the struggles of his other new friends, Walt comes to realize he is not only on a journey to find his own son, but he is on a journey to find himself worthy of being a father.

Mondays can be the worst. Some weeks it seems like the only way to get through the day is a gallon of coffee and a prayer. Instead of drowning that start-of-the-work-week-bitterness in endless cups of caffeine, pour yourself a cup of encouragement with Caffeinate Your Soul, an insightful guide to making Mondays more manageable and meaningful. This collection of short, but impactful, "Monday Mantras" will guide you through a year of Mondays, meeting you where you are and then walking you step-by-step to where you want to be. Erica Gwynn provides a year's worth of lessons, in sip-sized segments that will teach you how to: f,,[f,,€f,,[ Step out in courage and carry on after hardship f,,[f,,€f,,[ Grow through what you go through f,,[f,,€f,,[ Give yourself grace and give up the personal guilt trips f,,[f,,€f,,[ Get comfortable being UNcomfortable f,,[f,,€f,,[ Act on your dreams and do hard things f,,[f,,€f,,[ Clear out the clutter in your life, say no more often, and fail forward Rooted in faith, and packed with practical

takeaways, Caffeinate Your So

Here is a visual feast in the tradition of 1990s club kids. See performance artists JoJo Baby and Sal-E use their bodies as canvases to become inspired and whimsical conceptual characters, executed with expert skill using original, theatrical makeup and costumes. In more than 100 portraits, photographer Bernard Colbert rigorously captures these two performance artists in genius moments as psychedelic Hindi gods, comic book villains, fantastical creatures, astronauts, and much, much more. Colbert's stunning portraits document these delightful transformations over a five-year period and are the same body of work featured in the Clive Barker documentary titled JoJo Baby. Through Colbert's collaboration with JoJo and Sal, viewers can experience a front row seat to an ongoing show which has been entertaining club goers in Chicago for two decades. This is a portfolio for the visually adventures and fans of true creative vision.

From the critically acclaimed author of *Allegedly*, Tiffany D. Jackson, comes a gripping new novel perfect for fans of E. Lockhart and Gillian Flynn about the mystery of one teenage girl's disappearance and the traumatic effects of the truth. Monday Charles is missing, and only Claudia seems to notice. Claudia and Monday have always been inseparable—more sisters than friends. So when Monday doesn't turn up for the first day of school, Claudia's worried. When she doesn't show for the second day, or second week, Claudia knows that something is wrong. Monday wouldn't just leave her to endure tests and bullies alone. Not after last year's rumors and not with her grades on the line. Now Claudia needs her best—and only—friend more than ever. But Monday's mother refuses to give Claudia a straight answer, and Monday's sister April is even less help. As Claudia digs deeper into her friend's disappearance, she discovers that no one seems to remember the last time they saw Monday. How can a teenage girl just vanish without anyone noticing that she's gone?

When I made the wish, I just wanted a do-over. Another chance to make things right. I never, in a million years, thought it might actually come true... Sixteen-year-old Ellison Sparks is having a serious case of the Mondays. She gets a ticket for running a red light, she manages to take the world's worst school picture, she bombs softball try-outs and her class election speech (note to self: never trust a cheerleader when she swears there are no nuts in her bake-sale banana bread), and to top it all off, Tristan, her gorgeous rocker boyfriend suddenly dumps her. For no good reason! As far as Mondays go, it doesn't get much worse than this. And Ellie is positive that if she could just do it all over again, she would get it right. So when she wakes up the next morning to find she's reliving the exact same day, she knows what she has to do: stop her boyfriend from breaking up with her. But it seems no matter how many do-overs she gets or how hard Ellie tries to repair her relationship, Tristan always seems bent set on ending it. Will Ellie ever figure out how to fix this broken day? Or will she be stuck in this nightmare of a Monday forever? From the author of *52 Reasons to Hate My Father* and *The Unremembered* trilogy comes a hilarious and heartwarming story about second (and third and fourth and fifth) chances. Because sometimes it takes a whole week of Mondays to figure out what you really want.
