5 Day Weekend: Freedom to Make Your Life and Work Rich ...

Nik Halik and Garrett Gunderson’s 5 Day Weekend is the latest new book to attempt to liberate workers from the tedium of working ‘40 hours and week for 40 years’ — a mentality that used to be touted as the only way to a successful retirement. Their focus is on creating true financial independence, but the hook of adding two extra days to your weekend is pretty tempting, too!

5 Day Weekend: Freedom to Make Your Life and Work Rich ...

5 Day Weekend - KEEP MORE MONEY, MAKE MORE MONEY, GROW ...

And if you do, it will be so late in life that you'll have already forfeited much of your freedom anyway. As the entrepreneur Randy Komisar wrote, “The most dangerous risk of all is postponing your dreams and betting you will have the time or freedom to do it later.” The goal of the 5 Day Weekend is not security, but freedom. In the security mindset, you have neither freedom nor security.

5 Day Weekend: Freedom to Make Your Life and Work Rich ...

5 Day Weekend is not a “get rich quick scheme,” but a strategy for anyone willing to put in several years of hustle, hard work and learning to create freedom and fulfillment. Halik and Gunderson teach you to create a goose that lays golden eggs—passive income streams—and to fund your dream lifestyle with that.

Add 3 More Days to Your Weekend You want more You know there’s a better way to live your life. You have hopes and dreams. You want out of the box — the financial squeeze — living by other people’s rules. The best way to achieve your goal hasn’t been clear. Now there’s a way. 5 Day Weekend® is: • More than inspiration—It’s a plan. It shows you how to build multiple streams of passive, independent income. • More than a concept—It’s real world. People’s stories and cases give examples and guidance. • More than money—It’s purpose. It opens up your world to more and better choices. You can leave your 8 to 5 job behind and achieve your grandest goals. Is it time for you to get unstuck? Are you ready to move forward to a lifestyle rich with freedom and purpose? 5 Day Weekend® is your doorway. The strategy is to build multiple streams of income that don't require you to work 8 to 5 in a company where you have little control of your time and compensation. The core money parts — Keep More Money, Make More Money, and Grow More Money — focus on ways to tighten your finances, increase your income, and develop passive investment strategies. The goal is to build regular, independent cash flow until they match your standard of living. Then you're no longer captive. Your independent income is enough to sustain you — to free you. The Personal Freedom chapters are Purpose, Choice, Productivity, Simplicity, Adventure, Peace, and Generosity — ways to live your life to the fullest. In Power UP! you Strengthen Your Mindset, Build Your Inner Circle, Fortify Your Habits, and Amplify Your Energy — tools to support and realize your new goals. In Push the Boundaries, Nik Halik shares his remarkable journey and challenges you to achieve your own 5 Day Weekend®. New York Times bestselling author, Garrett B. Gunderson, offers his savvy financial expertise.

Debunks nine myths about effective money management and describes the principles that lead to true financial success and prosperity.

"I am a fanatic about freedom. And I'm fanatical about coming at you hard in this book." Maybe you're not as free as you think you are. Even worse, you may have been duped into believing that a "balanced" life is the key to happiness (it isn't) or that a relationship with God is about layering on rules and restrictions (nope). Whether it's media-fueled fear, something a parent or teacher said that you just can't shake, or even the reality of dark spiritual forces bent on keeping you down, something is holding you back from the full-on freedom God intends for you. The Bible says, "Where the Spirit of the Lord is, there is freedom." Not fear. Not guilt. Not morality. Freedom. You can have the sort of joy you thought only kids could have. The day of freedom is here.

This is Nik's story of how he is living his dreams, retired at an age when most people are gearing up in their careers and his strategies for financial freedom by detailing wealth creation through the stock market. High profile personalities such as Tom Hopkins and Bob Proctor and many more are used in the book to highlight their endorsement of Nik and his strategies.

A New York Times Notable Book of 2018 A devastating novel of multiple narratives, "a mark of Neel Mukherjee's range and force and ambition" (New York Times Book Review). A State of Freedom wrests open the central, defining events of our century: displacement and migration. Five characters, in very different circumstances—from a domestic cook in Mumbai to a vagrant and his dancing bear—find out the meanings of dislocation and the desire to get more out of life.

This is the road map to a seven-figure business. . . . in one year or less The word "entrepreneur" is today's favorite buzzword, and any aspiring business owner has likely encountered an overwhelming number of so-called "easy paths to success." The truth is that building a real, profitable, sustainable business requires thousands of hours of commitment, grit, and hard work. It's no wonder why more than half of new businesses close within six years of opening, and fewer than 5 percent will ever earn more than \$1 million annually. 12 Months to \$1 Million condenses the startup phase into one fast-paced year that has helped hundreds of new entrepreneurs hit the million-dollar level by using an exclusive and foolproof formula. By cutting out the noise and providing a clear and proven plan, this roadmap helps even brand-new entrepreneurs make decisions quickly, get their product up for sale, and launch it to a crowd that is ready and waiting to buy. This one-year plan will guide you through the three stages to your first \$1 million: • The Grind (Months 0-4): This step-by-step plan will help you identify a winning product idea, target customers that are guaranteed to buy, secure funding, and take your first sale within your first four months. • The Growth (Months 5 - 8): Once you're in business, you will discover how to use cheap and effective advertising strategies to get your product to at least 25 sales per day, so you can prove you have a profitable business. • The Gold (Months 9-12): It's time to establish series of products available for sale, until you are averaging at least 100 sales per day, getting you closer to the million-dollar mark every single day. Through his training sessions at Capitalism.com, Ryan Daniel Moran has helped new and experienced entrepreneurs launch scalable and sustainable online businesses. He's seen more than 100 entrepreneurs cross the seven-figure barrier, many of whom go on to sell their businesses. If your goal is to be a full-time entrepreneur, get ready for one chaotic, stressful, and rewarding year. If you have the guts to complete it, you will be the proud owner of a million-dollar business and be in a position to call your own shots for life.

Even for the experienced trader, options trading can be a risky and intimidating investment strategy. However, with the right strategies and approach, it can be an exciting investment option that can pay serious dividends. Through logical, step-by-step guidance LIdot's Guides: Options Trading gives you the tools you need to reduce risk, while boosting the odds for success with these volatile and unpredictable investments. You will learn about all of the common types of options including index, ETF, and equity options, and then move into newer strategies including binary options and the new 20-minute options. LIdot's Guides: Options Trading will help you decide how to choose the approach that fits your investment strategies, how to weigh option costs and benefits, understand options contracts, use technical analysis to evaluate opportunities, and how to minimize risk while building a strategy that maximizes gains while protecting against market fluctuations.

The racist legacy behind the Western idea of freedom The era of the Enlightenment, which gave rise to our modern conceptions of freedom and democracy, was also the height of the trans-Atlantic slave trade. America, a nation founded on the principle of liberty, is also a nation built on African slavery, Native American genocide, and systematic racial discrimination. White Freedom traces the complex relationship between freedom and race from the eighteenth century to today, revealing how being free has meant being white. Tyler Stovall explores the intertwined histories of racism and freedom in France and the United States, the two leading nations that have claimed liberty as the heart of their national identities. He explores how French and American thinkers defined freedom in racial terms and conceived of liberty as an aspect and privilege of whiteness. He discusses how the Statue of Liberty—a gift from France to the United States and perhaps the most famous symbol of freedom on Earth—promised both freedom and whiteness to European immigrants. Taking readers from the Age of Revolution to today, Stovall challenges the notion that racism is somehow a paradox or contradiction within the democratic tradition, demonstrating how white identity is intrinsic to Western ideas about liberty. Throughout the history of modern Western liberal democracy, freedom has long been white freedom. A major work of scholarship that is certain to draw a wide readership and transform contemporary debates, White Freedom provides vital new perspectives on the inherent racism behind our most cherished beliefs about freedom, liberty, and human rights.
