You won't find a better manual covering 904s, 727s, or the new transaxles for this kind of money anywhere. The Chrysler manuals or other training and repair manuals will be a valuable help to any method you choose to get your Torqueflite repaired.

Torqueflite automatic transmission repairs | Allpar Forums

Take the 727 Torqueflite, considered by many to be one of the most dependable automatics ever built. While it has not been built for 30 years, the overdrive used in most new MOPAR offerings is based on the same design, and even share many internal components. We recently went through an early '70s 727 transmission.
