One of the most personal and powerful acts a Christian can engage in is prayer. Yet many believers struggle with their prayer lives, wondering whether they are really making a difference and how they can be more effective. Delving deep into the biblical understanding of prayer, beloved author and leader Derek Prince shows readers the secret to leading a dynamic prayer life, how to receive what they ask for, and how to align themselves with the heart of God. Practical strategies like fasting, biblical study, discipline, and consistency are extensively explained and illustrated by powerful testimonies. This is a life-changing book.

From the authors of the popular and bestselling Godwink series comes a new and inspiring collection of true stories about people whose lives were changed by specific and extraordinary answers to their prayers. Prayer is a universal act that anyone can participate in. Simply stated: prayer is a conversation between you and God, and oftentimes brings incredible and astonishing results. The outcomes are called "answered prayers." Yet, with no alternative word in the English language for answered prayer, readers have begun to fill the void with Godwink, which is now making its way into dictionaries. In The Godwink Effect, Squire and Louise, husband and wife, make the case that Godwinks and prayer are inextricably intertwined. The first of seven secrets for more Godwinks is to pray. Moreover, when a Godwink occurs, like a pebble tossed into a pond, there are subsequent ripples that touch the lives of others. Typical of all Godwink books, this volume will be packed with amazing real-life stories about ordinary people, as well as some well-known figures, that reinforce the power of prayer in their lives and the Godwinks that followed.

The contents of this message upon prayer should be read alike by preacher and teacher, evangelist and intercessor. Its pages contain an appeal to every "worker together with Christ," and stimulate the desire for prayer in the varied relationships of Christian life. The appeal deserves a wide circulation amongst members of Prayer Circles and Prayer Unions, and, indeed, amongst all who are looking for a revival of true religion in our land, and an exodus of ambassadors for Christ to heathen and Moslem populations. -- Albert A. Head.

In 2000, Pope John Paul II canonized the great 20th century visionary of Divine Mercy, Sister Faustina Kowalska, and proclaimed the Sunday after Easter to be celebrated annually as Divine Mercy Sunday. In 2006, Pope Benedict stressed that "Divine Mercy is not a secondary devotion, but an integral dimension of Christian faith and prayer." Now Pope Francis has proclaimed an extraordinary Jubilee Year of Mercy, which will begin on December 8, 2015. These four Popes have made it very clear that Divine Mercy is a major part of the Christian faith, and now this powerful new book reveals why. Best-selling author Vinny Flynn continues his popular "7 Secrets" series with a book that brings him back to his roots. Vinny was one of the original editors of the official English edition of the actual Diary of St. Faustina, and he has written and edited a vast number of the Divine Mercy materials that are used today. Through his "secrets" of Divine Mercy, Vinny shows how Divine Mercy is not just another worthy "private devotion"; it is the key devotion, the umbrella devotion over everything else. Every other devotion in the Church, every ritual, every activity, every teaching is under that umbrella of Divine Mercy. It's all there to help us understand and enter into Divine Mercy. He shows us how everything in our lives can become more meaningful, more powerful, more life-changing once we really embrace the gift of Divine Mercy - the overflow of love from the Holy Trinity. In this compelling and timely book, Flynn draws from Scripture, the teachings of the Church, and the Diary of St. Faustina to not only reveal the heart of Divine Mercy, but to offer you an invitation and a road map so that this mercy can transform your life. If you're not yet convinced of the impact Divine Mercy can have on your life, if you've never heard of this message and devotion, or if you're curious to learn more about it, this book is perfect for you. It shows us all how to respond to the call of Pope Francis "to live lives shaped by mercy", and benefit greatly from the "Year of Mercy".
