for all learners—even those who excel academically. This essential guide identifies

eight high-impact, research-based

instructional approaches that will help you *

Make standards and learning goals explicit to students. * Increase

students' vocabulary—a key to their academic

success. * Build

students' motivation and self-efficacy so that they become active,

optimistic participants in class. * Provide rich, timely feedback that enables students to improve when it counts.

* Address skill and knowledge gaps within the context of new learning. Students deserve no less than the most effective strategies
