Message Notes A Cry Unheard October 11; I'm sure all of us have gone through really trying ordeals. We all have felt a sense of frustration and maybe even abandonment. We all have been overcome by some burden. It made us think that if we could just get a break. If someone would just help us... then we would be able to make it.

A NEW PERSPECTIVE: A CRY UNHEARD . Shortly after The Broken Heart was published in 1977, I had the good fortune to be among the first to come across a significant technological advance—one that revealed a dimension of the human cardiovascular system that had previously escaped attention. With the aid of what was then brand new computerized technology, I was able to monitor blood pressure automatically while continuing to engage patients in conversation.
