disciples of someone who lived 2,000 years ago? There is no one-size-fits-all answer. Each of the Gospel accounts offer different pictures of following Jesus. Matthew writes a training manual for making disciples. Mark uses analogies to illustrate sowing the seed of the gospel. Luke emphasizes living generously as if the kingdom of God has already come. John shows us what an ideal disciple looks like. Though different from each other, each path can show you the way to be a disciple. A Genuine Faith will guide you to an authentic, personal understanding of the road to discipleship—helping you discover what it means to follow Jesus today. "Reeves skillfully uses narratives to show real examples of those who learned to choose the narrow road by becoming true disciples of Christ. The application of these narratives to modern-day discipleship is evident as we discover the calculated risk Christ took

highs and the lows alike. The faith he calls us to is far more than a glowing positivism that shields us from life's struggles. It is one that guides us into a deepening intimacy with the God who sustains us in the broad sweep of life. Best-selling author Gary Thomas helps us sharpen our spiritual vision and fortify our commitment by examining ten disciplines God uses to forge a fire-tested faith. A biblical view of these disciplines can safeguard us from disillusionment when—not if—difficulties surface in our lives. How we respond will determine the depth and vitality of our walk with God. Sharing scriptural insights, the wisdom of Christians through the centuries, and cogent personal observations, Thomas explores the disciplines of: · Selflessness · Waiting · Suffering · Persecution · Social Mercy · Forgiveness · Mourning · Contentment · Sacrifice · Hope and Fear Drawing liberally from his storehouse of colorful and

engaging stories, Thomas brings his topics to life. Find out how a message scrawled on a baseball made a big-league difference to a discouraged young pitcher. Learn how a nineteen-year-old Catholic acolyte, marked by the tragedies of war, grew up to usher in the collapse of Communism in Poland. Read the touching account of feud, reconciliation, and friendship between two of America's founding fathers. As Gary Thomas reminds us, Jesus said that in this world we will have trouble. Paul exhorted believers to mourn with those who mourn. James wrote that God chooses the poor of this world to be rich in faith. Clearly, faith is about something other than a smooth ride through this fallen world. Rather, authentic faith is shaped, tempered, and purified in the flames of struggle. In a culture sated with blessings and comfort, Authentic Faith reveals the rich benefits that derive from embracing the harder truths of Scripture.

the human spirit and bring transformation to the world? One of the twentieth century's most renowned prophetic thinkers, A.W. Tozer, saw a dangerous trend gaining momentum even before his death--a trend that has become commonplace now in the twenty-first century. In this never-before-published book, Tozer sounds his alarm for the modern church: We must stop parroting words carelessly and instead allow the meaning that these words convey to empower, shape, and direct the work of the church. Yet *Reclaiming Christianity* is not just a warning; it is a spiritual guidebook for reconnecting to the deepest meaning of Christianity's sacred messages.

to be a part of the process of discipleship in the lives of their fellow brothers and sisters in Christ. Counseling One Another biblically presents and defends every believer's responsibility to work toward God's goal of conforming us to the image of His Son—a goal reached through the targeted form of intensive discipleship most often referred to as counseling. All Christians will find Counseling One Another useful as they make progress in the life of sanctification and as they discuss issues with their friends, children, spouses, and fellow believers, providing them with a biblical framework for life and one-another ministry in the body of Christ.

might believe. Kevin and Sam show that if you keep your feet moving and your hearts focused on God's divine rhythm, you can discover successes you might never imagine. All it takes is a little faith. On Television and in film, Kevin has portrayed demi-gods and evil professors, while in his private life, he's battled his fair share of demons - the three strokes that left him nearly paralyzed and still partially blind. He credits his wife's "tough love" encouragement; nauseating, relentless optimism; and tireless, constant nagging for pulling him through some of the worst episodes in his recovery. Getting married to a fundamentally debilitated "Hercules" was something Sam never shied away from. In Kevin, she recognized the love of her life and determined to see him through thick and thin. The phrase goes, "for better or for worse," and Kevin often says, "She got the 'worse' part out of the

way first!" Sam had confidence that Kevin would recover and thrive, and she put action to her faith. In their third year of married life, once doubt about Kevin's full recovery was laid aside, the newly-weds determined to build their family. That was going to be yet another trial for them to endure and conquer. They both credit their faith in God for pulling them through the tough times, and laying the foundation for their joy. That is how they came to make movies as a team. Christ said, "In this world you will have trouble. But take heart! I have overcome the world." (John 16:33)

Throughout True Faith, the Sorbos personify this verse as they embrace the struggles they meet and use their faith to bolster their responses. Be uplifted and inspired as you join Sam and Kevin on a journey through trials and triumphs, a couple of faithful Christians who work together, learn together, grieve together, and live life as

Enjoy the expanded and updated editions of the best-selling "Lord" Bible Study Series from Kay Arthur. The "Lord" study series is an insightful, warm-hearted Bible study series designed to meet readers where they are--and help them discover God's answers to their deepest needs. Does It Sometimes Feel Impossible to Measure Up to God's Standards? On a hillside overlooking the Sea of Galilee, Jesus opened the doorway to the kingdom of God. He challenged His followers to pursue a faith without compromise. Without anxiety. Without judgmentalism. He encouraged them to build a faith that bears fruit. A faith built on rock. A faith that would be true to the only Lord and Master. Is that the kind of faith you want? It sounds impossible. It feels unreachable. How can you

The evangelical church is home to many who claim to follow Christ but who show little evidence of a truly transformed life. Todd Wilson's *Real Christian: Bearing the Marks of Authentic Faith* biblically defines what it means to be a true Christian, calling readers to look at their own lives and diagnose where they aren't living authentically for God. With a prophetic voice, Wilson looks at how we deceive ourselves into thinking we are really living for God through believing the right things or doing lots of spiritual

activities. In contrast, real Christians are marked by five key qualities: broken-hearted joy, a humble disposition, a readiness to acknowledge sin, an ability to live balanced and avoid legalism, and a deep spiritual hunger that drives growth. All of these qualities culminate in the single defining mark of a real Christian—love. To help in distinguishing genuine faith from counterfeit spirituality, Wilson draws upon the gospels, the writings of Paul, and the insights of theologian Jonathan Edwards to help readers understand the necessary marks of an authentic, transformed life, marks that show evidence of a new heart and bear spiritual fruit through the work of the Holy Spirit.

Many Christians feel as if something is missing in their relationship with God. They long to find an in-depth, authentic relationship with

God. Instead, many believers find themselves living out a results-oriented “behavior management system” of spiritual growth. Unfortunately, rather than leading to an intimate relationship with God, this behavior-based system does just the opposite. It produces an unsatisfying life full of inner turmoil and doubt as Christians wonder whether or not they will ever experience the deeply satisfying life Jesus promised. Chuck Bomar calls this the “elephant in the room” that nobody seems to talk about but everyone struggles with. As the pastor of a church embraced by millennials and young families, and a long-time leader of seminars that help pastors reach this “lost” generation, Chuck is uniquely qualified to write this book.
