development and change, far swifter than in previous centuries. During this period England changed from a rural, agricultural country to an urban, industrialised one. This involved massive dislocation and radically altered the nature of society.

### Victorian Britain: a brief history / Historical Association

The word itself, literally meaning “music drama” or “song drama,” derives from Greek but reached the Victorian theatre by way of French. In Britain, melodrama became the most popular kind of theatrical entertainment for most of the 19th century, a period when more people went to the theatre than at any time in history.
