December 9, 2003, is a day Mary Ann Sheveland will never forget. With the sun just coming up and a fresh pot of coffee perking in the kitchen, she walked into the bedroom she shared with her husband that early December morning and found him dead. Death had come quickly and silently; he was gone. In Mary Ann's memoir, "Journey of My Heart," she shares a story written with love, humility, and a great amount of faith. It is an account of emotional courage, determination, and the desire to have the best quality of life in our allotted time. She chronicles the challenges faced when caring for a terminally ill spouse and the love that she and her husband shared during the good and the bad times of their crisis. "Journey of My Heart" also tells how Mary Ann overcame grief using the tools of music, journaling, travel, and the various social activities she depended upon to put her in a positive frame of mind. She hopes to help illuminate the steps along the slippery road of a progressively worsening medical condition. Gradually, with every day, she became stronger, more independent, and at peace with her new life. She emerged from grief a completely different person; she is a survivor.

Join Sequoia in this inspiring autobiographical adventure of her courageous trek as she leaves behind the safe, familiar surroundings of her home and travels across continents to a remote corner of the planet to "respect the mountain and the climbers who came before" her. She discovers a whole new world, both inside and outside of herself, on this Journey of Heart.

The twentieth-century journey to understand the human heart was a saga on a par with the race to the moon. Physicians have evolved from fearing to even touch a living human heart to rebuilding and transplanting hearts. Today heart attacks can often be sto

The Journey of My Heart. A book of poetry about life, love, and hope. About holding on to God's hand through the journey. It's about surviving the storm and being grateful for the storm that never reaches you. Having faith in his plan and believing in his timing. A journey about love and mercy, kindness and letting go. Being hopeful for tomorrow. Having courage to keep going knowing He's got you where he wants you. God is trying to make our journey easier by giving us hope and understanding. It's not always as complicated as it seems. The mountain is to be climbed one step at a time, enjoying the journey. Open your eyes and look around. Don't rush it or you will miss what he has for you along the way. It's not just about getting to the top. Perfection is a waste of time. His plans are always better. My poetry has been written over many years. When I pray for God to help me say what is in my heart, the words flow like rhymes down a road, step by step painting a picture that has been waiting to be shared. He lights the way with direction and understanding always helping me find peace. The Journey of My Heart is my gift to God. I give this to Him and to anyone who is looking for patience, understanding, hope, and courage or who wants to read about a powerful love story between myself and God.

'In this book, Annette Gray engagingly chronicles the life story of Mamie Aguirre, an American pioneer woman of extraordinary courage and talent. Mamie's Missouri marriage at age eighteen, to don Eplanio Aguirre, and aristocratic freighter and merchant from New Mexico, set in motion a series of stirring adventures that shaped the course of her life. Author Annette Gray, in this richly textured narrative, provides the first complete account of Mamie Aguirre's personal history. I can strongly recommend Journey Of The Heart without hesitation.' -- Marc Simmons, Historian, New Mexico

A story of friendship and and an evolution of love. Follow Michael and Lisa as they discover what it means to be in love and be loved by someone who's been right in front of you the whole time.

Journey Of The Heart-a true story is the first complete biography of Mary Bier (Mamie) Aguirre, "the little professor with the long brown ringlets," Arizona's first Spanish language instructor in the U of A. Amid the turmoil of Civil War, this petite Missouri belle fell in love with a handsome Mexican freighter. He didn't speak English, and she didn't speak Spanish, but their romance grew stronger in the untamed territories of New Mexico and Arizona. Experiencing a life of tragedy and triumph, Mamie retained a deep spiritual strength as she raised her three sons and taught in Arizona's first public schools. A feisty lady with an independent spirit, she is now recognized as a "Woman of Inspiration" in Arizona Women's Pavilion (Hall of Fame), Tucson.
