A Nurse I Am was produced by Emmy Award-winning director David Hoffman for nurses and nursing students as a response to the alarming trend of nurses leaving the profession within their first few years in practice. Primarily geared towards students (but enjoyable for anyone!), it features four nursing role models – nurses who are competent and compassionate and have a deep commitment to their

Nursing degree apprenticeships offer flexible routes to becoming a nurse that don't require full-time study at university, although nursing degree apprentices will still need to undertake academic study at degree level and meet the standards laid down by the Nursing and Midwifery Council . You will need to secure a position as a nursing degree apprentice and your employer will then release you ...

How to become a nurse | Health Careers

Am I observant? A good portion of a nurse's job is simply paying close attention to patients. Nurses need to closely monitor everything from vital signs and blood pressure to a patient's diet and physical activity, according to the DOL. They also have to be on the lookout for side effects from medication and signs that a patient is getting worse rather than better. 10. Can I prioritize ...

Hi I am a Nurse and was in an IVA that has recently failed. One of my options is bankruptcy, I contacted the NMC and Unison , neither said Bankruptcy would result in loss of employment, unless debt was through a Fraud. This is a Fact as I have thoroughly looked into it. Actually NMC and especially, Unison offered support both emotional and financial. Top Chris.z. Posts: 124 Joined: Wed May 16 ...

“I am a Family Nurse Practitioner of 16 years, and was an RN prior to that. My joy is caring for my patients, and the trust that develops with that relationship. They fulfill me, and I help provide them with the care they deserve.” –Kathrine Hardy, FNP, RN, Primary Care Associates, Anchorage, Alaska “I love being a nurse for many reasons—mostly because it has brought me into the ...

Why I Love Being a Nurse - Daily Nurse

Nursing bandings are essentially the different levels of pay on offer to nurses according to their experience and qualifications. Newly qualified nurses automatically start at the bottom of Band 5 - regardless of whether you qualify as an adult, children's, Mental Health or Learning Disability Nurse. As you can see, annual incremental pay increases are granted within each banding, but over ...

Nursing degree apprenticeships are, like all apprenticeships, employer-led. The employer releases the apprentice to study at an approved education institution and in a range of practice settings so apprentices can get the full range of skills and knowledge that we require for registration. Apprentices will need to achieve the same high standards that we expect from students who take the ...

The lyrics of 'I am a Nurse' aim to reflect both the challenging realities and the joyous aspects of nursing. Nurses from across the globe recorded vocals for the song and footage for the music video during the height of the coronavirus pandemic, using their own equipment or smart phones. Among those who contributed were members of the Tongan Nurses Choir. The song was written by ICN staff ...
