The Heart's Game What happens at Comic-Con, stays at Comic-Con... Robotics engineer Jenny Nguyen has given up on finding Mr. Right. So when her brother and his husband approach her to act as surrogate for their child, she sees it as her only chance to have a child and accepts. When the test turns positive, she's believes she can't handle both the pregnancy and dating, but she underestimates how persistent Daniel Kelly can be. When surgeon and gamer-geek Dan meets a pretty woman dressed as a Sailor Scout at Comic-Con, a roll of his lucky twenty-sided die tells him he should take a gamble on her. One night of passion leaves him longing for more, but Jenny's refusal to return his calls afterward leaves him wondering if the attraction was one-sided. An accidental discovery of her pregnancy has him convinced the baby is his, and he'll stop at nothing to win her heart. Warning: Contains sexy cos-play, naughtiness on the Iron Throne, a true tiger mom, a twenty-sided die calling the shots, and multiple geek references to Star Wars, Star Trek, and Lord of the Rings (among other things). Now he's out to win her heart again and gets some unexpected assistance from her younger sister, Alex. Alex Leadbetter has always thought Caleb was too good for her manipulative, social-climbing sister. She had assumed Kourtney's identity to write letters to him and keep his spirits up until he returned home to the hard truth, never expecting to fall in love with him along the way. After he shows up in town, she convinces him that the best way to get Kourtney back is to make her think he's fallen for someone new  her. But when a fake romance becomes all too real, her deception may leave them both grounded.
