This workbook accompanies A Survey of the Old Testament by Andrew E. Hill and John H. Walton. It follows the textbook's structure and offers readings, activities, and exercises designed to support the students' learning experience as they explore the literary, historical, and theological issues behind each book of the Old Testament. A Survey of the Old Testament Workbook offers students an additional contact point with the content and concepts from the main textbook and will help them better understand the Old Testament, its background, purpose, message, structure, and major themes. This workbook is an indispensable study resource for students and independent learners alike who want to deepen their understanding of the Old Testament and the God it reveals.

This second edition of the widely used and highly praised Old Testament Survey revises the original edition and greatly expands its attention to historical and geographical topics. These are combined with the first edition's focus on literature and narrative, and an increased amount of improved maps are also included. In all, the book charts every major element that unifies the Old Testament, making it an excellent companion for Bible reading. Any student desiring a thorough and time-tested overview of the Bible's first half will find it in this updated edition of Old Testament Survey.

Over 300,000 people have studied Books of the Bible. Now, the study has been updated, based on the New Revised Standard Version of the Bible. Using a workbook style, Books of the Bible allows you to discover the biblical text on your own or with a group. This 26-session book-by-book survey covers all the books in the Bible. Designed for persons who are not well-acquainted with the Bible, this resource is clearly written and easy-to-use, drawing the reader into the biblical text. Although you will "page through" the entire Bible by the end of the study, Books of the Bible only deals with major themes. An excellent primer for persons to gain confidence to tackle a more in-depth study, such as Genesis to Revelation, Journey Through the Bible, or Disciple Bible Study. Books of the Bible has informational articles about major sections of the Bible, and review pages at the end of major portions of the study. Questions for group discussion are included in all 26 sessions. In addition, there is an article for the leader and a pronunciation guide at the end of the study. 26 sessions / 60 minutes

In this revised volume, Gleason Archer's original study is updated by Dillon Burroughs. Burroughs deals with debated issues and then individually dissects each book.

The world of the Old Testament can seem hard to understand, especially for people living in times and places so far removed from the ancient Middle East. It's not just that we wear different clothes and hold different jobs--people in the West just don't have the same history, the same culture, or the same way of thinking as Old Testament characters like Abraham and David. And this disconnect can make studying the Old Testament an arduous and confusing process. A Popular Survey of the Old Testament is designed to help regular Christians enrich their understanding of Old Testament people and events. Illustrated throughout with color photos, charts, and maps, and written in an easy, informal style, this survey is accessible and enjoyable to Christians of all backgrounds.

Merrill has extensively updated this popular-level Old Testament history to discuss updates in archaeology and textual understanding. It is also more current as a defense of the Bible's accuracy.

The best stories subtly weave themes and characters and symbols into a stunning final tapestry. This Old Testament survey, written for family and classroom reading, reveals the rich weave that makes Scripture the Story of stories.

A Survey of the Old Testament goes far beyond simply rephrasing biblical material to provide balanced insights on the literary, historical, and theological issues of each Old Testament book and of the Old Testament as a whole. This revised edition makes the exceptional scope of the first edition more accessible to contemporary readers. A redesigned interior complete with new visuals--maps, photos, timelines, and charts--makes this book more attractive and useful than ever. Treating the books of the Old Testament in the order of the English canon, A Survey of the Old Testament explores the purpose and message of each book and shows how its literary structure has been applied to accomplish the intention of its inspired author. The book also introduces the reader to issues such as Israelite and Near Eastern history, archaeology, the formation of the canon, and geography Written by two widely respected scholars and educators, A Survey of the Old Testament is designed to help readers develop a broad grasp of the Old Testament.

This package includes the complete two-volume set of Jensen's Survey of the Testaments: Jensen's Survey of the Old Testament and Jensen's Survey of the New Testament. In Jensen's Survey of the Old Testament, the author provides a useful survey of the Old Testament that will aid in understanding difficult passages. This one volume contains all of Irving Jensen's Bible self-study guides to the Old Testament. In Jensen's Survey of the New Testament, Jensen leads the reader to study and personal reflection, considering the practical implications of Scripture. This one volume contains all of Irving Jensen's Bible self-study guides to the New Testament.

Leading biblical scholars from Liberty University offer a thorough survey of the complete Old Testament, with book introductions, theological concepts, practical applications, word studies, and more.
