Habits Of College Students  
The role of study habits in the academic outcomes of a student cannot be overemphasized. Success or failure of each student depends upon his/her own study habits. Of course, study is an art and as such it requires practice. Some students study more but they fail to achieve more. Others study less but achieve more.

# Download Free Academic Achievements And Study Habits Of College Students

The study confirmed that reading habit has influence on academic performance and there is a relationship between reading habit and academic performance. The study recommended among others that lecturers should be advised to stop providing handouts to students but rather encourage them to use the library for research and also, the current system of assessing students should be given a second thought with respect to the formulae of assessment.
