Descriptions of over 3000 tests in English, intended as a guide for psychologists, educators, and other personnel who need test information to meet their assessment needs. Topical arrangement under 3 main sections of psychology, education, and business. Each entry gives test name, associated personal names, intended age group, purpose, description, time, range, scoring, cost, and publisher. Indexes by test titles, authors, publishers, visually impaired tests, and scoring services.

Customers who place a standing order for the Tests in Print series or the Mental Measurements Yearbook series will receive a 10% discount on every volume. To place your standing order, please call 800-755-1105 (in the U.S.) or 402-472-3581 (outside the U.S.). Designed to complement the Mental Measurements Yearbooks, Tests in Print fills a pressing need for a comprehensive bibliography of all tests in print. Although these volumes are useful in and of themselves, their maximum usefulness requires the availability and use of the Mental Measurements Yearbooks. Although information on available tests and specific test bibliographies is valuable, the greatest service which Tests in Print can perform is to encourage test users to choose tests more wisely by consulting the MMY test reviews, the excerpted test reviews from journals, and the professional literature on the construction, use, and validity of the tests being considered.
