RECOMENDACIONES" Tengo la dicha y el honor de conocer a la doctora Evelin García por más de una década y su libro refleja la persona que es y las bellas lecciones que aprendimos de su mami. Su mamá fue una mujer muy íntegra y generosa a quien tuve el privilegio de conocer. Doña Mirian no era una señora melosa y expresiva, pero hacía sentir su amor con sus acciones. Cuando ella estuvo enferma, en su último año de vida, me dio recetas de cosas que podían ayudar a mi mamá y oraba por ella cuando sabía que estaba con muchos dolores. Ella se deleitaba en prepararnos deliciosas pupusas y enseñarle a mi niña cómo prepararlas, en compartir sus plantas, su sentido del humor y su fe con nosotras. Yo sé que su legado continuará tocando muchas vidas por muchos años y dejando rastros de amor y de esperanza a quienes lean este libro. Mamá decía es un libro tan sincero y lleno de emociones y de lecciones aprendidas que ayudará a sus lectores a superar momentos difíciles en sus vidas, a recordar su amor por su propia familia, a vivir la vida y a criar a los hijos con una brújula moral llena de ética. Doña Mirian, con su ejemplo, lo inspirará a ser generoso con el prójimo, a saber perdonar, a ser honesto y le enseñará muchas lecciones de vida que enriquecerán a todo el que lo lea. En mi opinión, el valor más importante que

guiaba a Doña Mirian era el amor a los padres y a los hijos, pero sobre todo el amor a Dios. Felicito al lector por tener este libro en sus manos porque al leerlo se sentirá indudablemente lleno de amor y de esperanza."Dra. Amalia A. SirolliPsicóloga ClínicaWoodland Hills, California

Written without notes in Ireland, and first published pseudonymously in 1948, *Imperium* is Francis Parker Yockey's masterpiece. It is a critique of 19th-century rationalism and materialism, synthesising Oswald Spengler, Carl Schmitt, and Klaus Haushofer's geopolitics. In particular, it rethinks the themes of Spengler's *The Decline of the West* in an effort to account for the United States' then recent

involvement in World War II and for the task bequeathed to Europe's political soldiers in the struggle to unite the Continent—heroically, rather than economically—in the realisation of the destiny implied in European High Culture. Yockey's radical attack on liberal thought, especially that embodied by Americanism (distinct from America or Americans), condemned his work to obscurity, its appeal limited to the post-war fascist underground. Yet, *Imperium* transcends both the immediate post-war situation and its initial readership: it opened pathways to a deconstruction of liberalism, and introduced the concept of cultural vitalism—the organic conceptualisation of culture, with all that attends to it. These contributions are even more relevant now than in their day, and provide us with a deeper understanding of, as well as tools to deal with, the situation in the West in current century. It is with this in mind that the present, 900-page, fully-annotated edition is offered, complete with a major foreword by Dr Kerry Bolton, Julius Evola's review as an afterword (in a fresh new translation), a comprehensive index, a chronology of Yockey's life, and an appendix, revealing, for the first time, much previously unknown information about the author's genealogical background.

he gets towels mixed up with napkins, gloves mixed up with socks, and he's always forgetting my name! My mom and uncle Andrew are worried things could get worse, so they decided it was best if Grandpa came to live at our house. I'm glad he's with us now, because he helps me with my homework and I help him with his. Although I keep getting into trouble trying to help him... But I'd do anything to stop my grandpa from forgetting things! Anything. What about you? What would you do for the people you love?

New York Times bestselling author Lysa TerKeurst unveils her heart amid shattering circumstances and shows readers how to live assured when life doesn't turn out like they expected. What do you do when God's timing seems questionable, His lack of intervention hurtful, and His promises doubtful? Life often looks so very different than we hoped or expected. Some events may simply catch us off guard for a moment, but others shatter us completely. We feel disappointed and disillusioned, and we quietly start to wonder about the reality of God's goodness. Lysa TerKeurst understands this deeply. But she's also discovered that our disappointments can be the divine appointments our souls need to radically encounter God. In *It's Not Supposed to Be This Way*, Lysa invites us into her own journey of faith and, with grit, vulnerability, and honest humor, helps us to: Stop being pulled into the anxiety of disappointment by discovering how to better process unmet expectations and other painful situations. Train ourselves to recognize the three strategies of the enemy so we can stand strong and persevere

through unsettling relationships and uncertain outcomes. Discover the secret of being steadfast and not panicking when God actually does give us more than we can handle. Shift our suspicion that God is cruel or unfair to the biblical assurance that God is protecting and preparing us. Know how to encourage a friend and help her navigate hard realities with real help from God's truth.
