Adrian Mole: The Cappuccino Years (TV Series 2001) - IMDb

Adrian Mole: The Cappuccino Years is the fifth book in the Adrian Mole series, written by Sue Townsend. The book was first published in 1999 by Michael Joseph. It is set from 30 April 1997 (the run up to Pandora's election as MP) until 2 May 1998. Adrian is 30 years of age. The book was made into a TV series that aired in 2001. Plot summary

Adrian Mole: The Cappuccino Years - Wikipedia

The new book, "Adrian Mole: The Cappuccino Years" captures the spirit of the old Mole books perfectly. The reader will feel at home (albeit a completely dysfunctional one) with the love (low)life shenanigans of Adrian's parents, his sister, and grandparents, as well as his many weird and wonderful friends.

Adrian Mole: The Cappuccino Years | Daily Mail Online

'The funniest person in the world' Caitlin Moran Celebrate Adrian Mole's 50th Birthday with this new edition of the FIFTH BOOK in his diaries, where Adrian faces divorce, fatherhood and (short-lived) television stardom. -----
Wednesday August 13th Here I am again - in my old bedroom. Older, wiser, but with less hair, unfortunately.

Adrian Mole: The Cappuccino Years

Meet Adrian Mole, a hapless teenager providing an unabashed, pimples-and-all glimpse into adolescent life. Writing candidly about his parents' marital troubles, the dog, and his life as a tortured poet and 'misunderstood intellectual', Adrian's painfully honest diary is still hilarious and compelling reading thirty years after it first appeared.

The "wickedly satirical, mad, ferociously farcical [and] subversive" angsty Brit of secret diary fame careens into his thirties (Daily Mail). I expect that by tomorrow I will have embellished the story and given myself a heroic status I do not deserve . . . Right now the truth is harrowing enough for aging, impotent intellectual Adrian Mole: He's soon to be divorced; he hasn't a clue what to do with his semi-stardom as a celebrity chef; his parents have become swingers (with whom is too shocking to go into now); his epic novel is still unpublished; his ex-flame Pandora is running for political office; and his younger sister has rebelled in the most distressingly common ways. But there's one upside: Adrian's son has inherited his mother's unblemished skin. Is it any wonder that at 34¾ Adrian is still punishingly self-aware and willfully deluded about what he's endured and what he's yet to achieve? Struggling somewhere between breakthrough and breakdown, he's telling his diary everything. The result? Adrian's fifth Book of Revelation—and it's "quite possibly, a classic" (Daily Mirror).

The Heinemann Plays series offers contemporary drama and classic plays in durable classroom editions. Many have large casts and an equal mix of boy and girl parts. This play is an adaptation of the humorous diary of a young intellectual, suffering the traumas of love, parental divorce and spots.

As his laugh-out-loud secret diary extends into his later teens and young adulthood, everyone's favorite angsty Brit remains "a brilliant comic creation" (The Times, London). Continue to commiserate with "one of literature's most endearing figures—a sharp-witted, pining, and achingly honest underdog of great expectations and dwindling patience who knows all (or believes he does) and tells all (The Observer). Having endured the agony of adolescence (just), Adrian now careens into his later teens, torturous twenties, and utterly disappointing thirties in these three hilarious sequels by "one of Britain's most celebrated comic writers" (The Guardian). From the not-so-humble origins of The Secret Diary of Adrian Mole Aged 13 and ¾, Adrian's chronicle of angst has sold more than twenty million copies worldwide, spawned seven sequels, been adapted for television, and staged as a musical—truly "a phenomenon" (The Washington Post). The True Confessions of Adrian Albert Mole: What's happening to Adrian Mole? On the one hand, he's entering the cusp of adulthood and burgeoning success as a published poet. On the other, he still lives at home, refuses to part with his threadbare stuffed rabbit, and has lost his job at the library for a shocking act of impudence: He shelved Jane Austen under Light Romance. Even worse, someone named Sue Townsend stole his diaries and published them under her own name. Of course they were bestsellers. Adrian Mole: The Wilderness Years: At 23¾ years old, Adrian is now technically an adult and almost prepared. On the upside: He's fallen for a perfectly lovely Nigerian waitress; he's seeing a therapist so as to talk about himself without interruption; and he's added vowels to his experimental novel-in-progress (so much more accessible to the masses!). The downside? Pandora is probably history; a pea-brained rival has been published before him to great acclaim; and worse—Adrian has come to the devastating realization that he may not be uncommon after all. Adrian Mole: The Cappuccino Years: At 34¾, impotent intellectual Adrian Mole is soon to be divorced; he hasn't a clue what to do with his semi-stardom as a celebrity chef; his parents have become swingers (with whom is too shocking to go into now); his epic novel is still unpublished; his ex-flame Pandora is running for political office; and his younger sister has rebelled in the most distressingly common ways. There is one upside: Adrian's son has inherited his mother's unblemished skin. "Townsend's wit is razor sharp" (Daily Mirror) as she shows us the world through the older and (possibly?) wiser eyes of her "achingly funny anti-hero" (Daily Mail),

proving again and again why she's been called 'a national treasure' (The New York Times Book Review).

'Townsend's wit is razor sharp' as her self-proclaimed intellectual adolescent hero continues his hilarious angst-filled secret diary (TheMirror). I can't wait until I am fully mature and can make urban conversation with intellectuals. Growing up among inferiors in Great Britain isn't easy for a sensitive fifteen-year-old 'poet of the Midlands' like Adrian Mole, considering everything in the world is conspiring to scar him for life: His hormones are in a maelstrom; his mother is pregnant (at her age!); his girlfriend, Pandora, is in shutdown; radio stardom isn't panning out; he's become allergic to non-precious metals; and passing his exams is as dire a crisis as the Falkland Islands. From weathering a profound but shaky romance with the love of his life to negotiating his parents' reconciliation to writing his poetry on restroom walls (why on earth did he sign his name?), 'Adrian Mole is as engaging as ever' (Time Out). The sequel to the beloved The Secret Diary of Adrian Mole Aged 13¾ continues Adrian's chronicle of angst, which has sold more than twenty million copies worldwide, and been adapted for television and staged as a musical. Adrian Mole is truly 'a phenomenon' (The Washington Post).

A rollicking comic adventure starring 'one of literature's most endearing figures' (The Observer). Readers worldwide have loved Adrian Mole ever since he wrote his first diary at age thirteen and three quarters. Now he is age thirty-four and three quarters—not quite fully grown up, but getting there. In this 'funny and wrenching,' novel Adrian needs proof that Saddam Hussein had weapons of mass destruction so he can get a refund from a travel agency of the deposit he paid on a trip to Cyprus (Publishers Weekly). Naturally, he writes to Tony Blair for some evidence. He's engaged to the woman he loves, but obsessed with her voluptuous sister. And he is so deeply in debt to banks and credit card companies that it would take more than twice his monthly salary to ever repay them. He also needs a guest speaker for his creative writing group's dinner in Leicestershire, and wonders if the prime minister's wife is available. In short, Adrian is back in true form, unable—like so many people we know, but of course, not us—to admit that the world does not revolve around him. . . . In Adrian Mole and the Weapons of Mass Destruction, international-best-selling author Sue Townsend combines 'love, politics and credit-card debacle into a not-to-be-missed novel' (The Seattle Times). 'The trouble with trying to read passages from the Adrian Mole diaries aloud is that you find yourself laughing so hard you can't go on.' 'The Kansas City Star' 'Townsend's wickedly funny novels are another reason to be grateful for the right of free speech.' 'San Francisco Chronicle

The final chapter in the beloved chronicles of an angsty Brit begun in The Secret Diary of Adrian Mole Aged 13¾ is 'a tour de force by a comic genius' (Daily Mail). Am I turning into one of those middle-aged men who think the country has gone to the dogs and that there has been no decent music since Abba? Hard to believe! Adrian Mole is pushing forty, a beleaguered bookseller looking back through the wistful eyes of an unrecognized intellectual and, admittedly, pretty much of an Everyman. But he's also looking forward, despite a few things: His five-year-old daughter is showing alarming Stalinist traits; his son is fighting the Taliban and he's worried sick; his unfaithful wife is keeping a diary of her own and it's all rather heartbreaking; frequent urination has made him fear trouble 'down there;' and his mother is penning a misery memoir that is one gross slog of a lie (born an aristocrat in a Norfolk potato field, indeed!). Then one day he receives a phone call out of the blue from the great and only love his life: Pandora Braithwaite. 'Do you think of me?' she asks. Only ever since he was 13¾. . . . Adrian Mole's epic and hilarious chronicle of angst over a quarter century has sold more than twenty million copies worldwide, and been adapted for television and staged as a musical—truly 'a phenomenon' (The Washington Post). This final volume is 'like rediscovering an old school friend on Facebook' (Time Out), and 'if [it] isn't the best book published this year, I'll eat my bookshelf' (Daily Mail).

Adrian Mole has entered early middle age and is now 'the same age as Jesus was when he died' (33). Father to the grammatically challenged Glenn, and William, who takes a 'Big Boy Arouser' condom to nursery school as his innocent contribution to a hot air balloon project, Adrian is a single parent who has an on/off relationship with his housing officer, Pamela Pigg. Will she help him to move from the notorious Gaitskell estate before William joins the Mad Frankie Fraser fan club? In the meantime, Adrian continues to be scandalised by his irresponsible parents who are conducting a matrimonial square-dance with the Braithwaites—the parents of the beautiful but unobtainable Pandora, who is ruthlessly pursuing her ambition to be New Labour's first woman P.M. —and to confide in his diary. His current worries include: indestructible head-lice; his raging jealousy when his accomplished half-brother Brett arrives on his doorstep; moral decline in The Archers; his desperate attachment to two therapists; his mild addiction to Starburst (formerly Opal Fruits); a small earthquake in Leicester; and, perhaps most significantly, the dawn of a new millennium.

Adrian Mole has last reached physical maturity, but he can't help roaming the pages of his diary like an untamed adolescent. Finally given the elbow by Pandora, he seeks solace with Bianca - a hydraulic engineer/waitress and waits for fame and fortune as he completes his novel.
