A text offering practice material to students preparing for the Cambridge Advanced English examination. There are 30 units containing grammar explanation and practice. 20 developing and practising topic-related vocabulary and phrasal verbs, and ten working on expressions, idioms and word formation.
This text is designed to revise and consolidate grammar points at the level of CAE and Proficiency exams, and this edition has been revised to include proficiency material in the format of the 2002 exam. It is available with or without key.

This popular and reliable series is aimed at all students preparing to sit their IELTS exams. It retains many of the features which make this series so popular: clear grammar explanations, themed vocabulary units to contextualise words and phrases, and a variety of exercise types to provide plenty of practice. This is the ideal accompaniment for any IELTS student or preparation class.
In this text, particular focus is given to functional language, with units on areas such as greetings, excuses, directions and descriptions, agreeing and disagreeing. This gives students a wider view of grammar and vocabulary in context in a variety of immediately useful everyday situations.
