AFTERWARDS by Rosamund Lupton is a unique read for both the story line and the narration decisions. I read this for our book club and I'm excited to see where the discussion goes. Afterwards. Rosamund Lupton I never write reviews, but feel I must after reading both Rosamund Luptons books. Sister has been on my shelf for years and I never looked at it, in a moment of boredom, I took it and started reading. It was difficult to put down. I was very happy to find Afterwards, the second book, and again very original and absorbing.
