An all-new and completely original tie-in novel to the hit NETFLIX show. When Archie, Betty, Veronica and Jughead take a road trip, they discover that their small-town problems seem to follow them wherever they go... The gang heads out for an epic road trip to Chicago to visit Archie's mom. When Archie's too busy daydreaming to drive, Veronica takes the driver's seat - naturally. Betty wants to see the important sights, and Jughead just wants to find the best diners. They're all so preoccupied that they almost miss the red pickup truck that seems to be everywhere they are... Could it be a coincidence or could the troubles of Riverdale have followed them across state lines?

When Archie, Betty, Veronica and Jughead take a road trip, they discover that their small-town problems seem to follow them wherever they go.

Who is the Riverdale Ripper? And why is Jughead waking up covered in blood? Based on the original Archie Comics characters!

Archie's first original graphic novel featuring the world of CW's Riverdale! Four interconnected stories trap each of our main characters in a unique high-stakes conflict over the course of a few pressure-cooker hours! Jughead's locked in and left behind with Moose at Stonewall Prep, Veronica is trapped with Cheryl at a nearby suburban shopping mall, Betty and Polly are stalked by a possible madman when a girls' night goes horribly awry and Archie is held hostage by a 'long lost relative' of Fred's who's come to town seeking payback of any and every kind. Will Archie and company even make it to sunrise? If they do, will they ever be the same again?
