Project Exploration creates transformative learning opportunities for youth underrepresented in the sciences — particularly students of color and girls — by equipping them with the skills, practices, and mindset needed for a lifelong pursuit of learning. 2018-2019

Home - Project Exploration

The Age of Exploration The so-called Age of Exploration describes a period in European history defined by the first expansion of overseas trading networks and imperial control. Lasting from the...

Age of Exploration Project Ideas | Study.com

This is a project that students can do alone or in pairs. Students are required to research an explorer from the Age of Exploration. If you want it done pristinely then you will have to set aside some time for this one. I gave my students around two hours of class time to work on this.
