A leading expert on adolescence cites new research and describes how to raise happy, successful kids by helping parents navigate this challenging, but developmentally crucial, time through strategies that instill self-control during the teenage years. 25,000 first printing.

"Simply the best book I have ever read about adolescence. . . With gentle wisdom, Steinberg guides us through truly novel findings on what happens during adolescence and tells us how, as parents and teachers, we should change our ways." — Martin E. P. Seligman, Ph. D., author of *The Optimistic Child* "If you need to understand adolescents—whether your own or anyone else's—you must read

this book . . . Steinberg explains why most of our presumptions about adolescence are dead wrong and reveals the truth about this exciting and unnerving stage of life."—Jennifer Senior, author of *All Joy and No Fun* Over the past few decades, adolescence has lengthened, and this stage of life now lasts longer than ever. Recent research has shown that the adolescent brain is surprisingly malleable, making it a crucial time of life for determining a person's future success and happiness. In *Age of Opportunity*, the world-renowned expert on adolescence Laurence Steinberg draws on this trove of fresh evidence—including his own groundbreaking research—to explain the teenage brain's capacity for change and to offer new strategies for instilling resilience, self-control, and other beneficial traits. By showing how new discoveries about adolescence must change the way we raise, teach, and treat young people, Steinberg provides a myth-shattering guide for parents, educators, and anyone else who cares about adolescents. "A fascinating book [that] parents and teachers ought to read."—*Atlanta Journal Constitution* "This book belongs on the shelf of every parent, teacher, youth worker, counselor, judge—heck, anyone interested in pre-teens and teenagers."—David Walsh, Ph.D., author of *Why Do They Act That Way? A Survival Guide to the Adolescent Brain for You and Your Teen*

Teenage hassles that disrupt parents' lives? Or prime opportunities to connect with, listen to, and nurture our kids? Paul Tripp uncovers the heart issues affecting parents and their teenagers during the often chaotic adolescent years. With wit, wisdom, humility, and compassion, he shows parents how to seize the countless opportunities to deepen communication, learn, and grow with their teenagers.

"In this book, you will learn that if you really wanted to understand how we develop into the people we ultimately become, you have got to know something about adolescence"--

Have you ever wondered what life would be like with the freedom to Work From Anywhere you want, whenever you want? Do you desire to work independently and/or wish to be your own boss someday? If so, and you're finally ready to do more than just dream about it, this helpful book will hopefully motivate you to WAKEUP immediately and make it a reality! Most importantly, it offers essential information that you'll need to know in order to properly proceed AND succeed with working from anywhere! In fact, this could actually be considered more of a trusty hand-guide, one that will continue to provide professional advice you can always relook at and rely on. Whether you want to start your own business, work as a freelancer full-time, or simply want to earn additional income, whatever your goal is, there is a better chance of reaching it with this beneficial book. The first several chapters will inspire and allow you to focus and fertilize your thought process. The later chapters feature in-depth explanations of some potential jobs you can work from anywhere. But, when you begin to think outside of the box, the list of opportunities can be almost endless! progress with them and stay up-to-date. Furthermore, it is recommended that you also read The Four Agreements and/or similar introductory works for additional information and inspiration!

Perry Pig had a problem. Peppy Puppy and Peggy Porcupine picked on Perry, called him "Pudgy Porky" and posted his picture in the paper without his permission. With Paula Panda's prodding Perry plots a plan, and Peppy and Peggy apologize.

It is an adaptation of the age-old Biblical tale of David and Goliath and opens the door for discussions on self-confidence and faith in the face of great obstacles. It is also an excellent book for schools, day cares and Sunday Schools. It is simple, inviting story, and is widely available in print and e-book for easy access.

"Me and E: A Baseball Odyssey is a reflection on parenting a highly skilled, nationally-ranked and difficult baseball prodigy, told through the author's eyes as he witnessed and participated in the successes and failures of his son playing baseball and growing up in Central Florida. It deals with the changing world of competitive youth sports, over-involved parents, fanatical coaches, the hypocrisies inherent in high school athletics, the college recruiting process and how we teach our kids to grow up and become decent human beings - despite ourselves. It involves well-known sports figures as well as local sports icons with traits and characteristics that everyone will recognize. It's a book about flawed parenting, about living vicariously through a gifted child and learning, finally, that being a good father is as much about letting go as it is about being there. Call it Moneyball meets Everything I Know I Learned in Kindergarten.

In the first volume of the To Shine with Honor trilogy, Galien de Coudre, scholarly third son in a family of minor nobility, comes of age in the perilous world of late 11th century France, where powerful noblemen massacre the other and innocents in unending petty warfare over lands and silver, despite the efforts of the Church to control their violence. Galien, educated for the priesthood, trained at arms and horse by his father and older brothers, all knights, finds his once-certain future as a high Church official compromised by family misfortunes. Through a series of oft-wrenching events, he discovers his own destiny as events in France and the distant Holy Land draw inexorably toward the great war of faiths known in history as the First Crusade.

Oh no! The big bad wolf is in London! But he is no match for these three little pigs! Staring a silly big bad Siberian Husky, the cleverest Guinea Pig this side of a hard hat, and famous London city landmarks, this version of the Three Little Pigs turns the classic children's story into a hilarious tale of London pride! Includes a write your own story activity especially for children ages 3-8 who are planning to visit, or who have recently visited, the great city of London! Looking for a different city? Search Dr. Silly Goose for more city-specific versions of The Three Little Pigs. Also available: Los Angeles, Chicago, Houston, Philadelphia, San Antonio, San Diego, Dallas, New York City, Jacksonville, San Francisco, Austin, Seattle, Denver, Washington DC, and Boston.
