The difference in content is that "Get Tough" lacks the final chapter of "All-in Fighting", which covers the use of the bayonet. This book is an important cultural artifact, in that it encapsulates the teachings of Fairbairn as given to British forces. However, as a book on effective combatives, it falls flat.

All-in Fighting by W.E. Fairbairn - Goodreads

This is, as the title suggests, truly "All In Fighting." It is dirty, decisive, and in many cases, potentially (and directly) fatal, and should be treated as such. W. E. Fairbairn, who among other things is known for having taught hand to hand combat to the Allied special forces (or parts of them, anyway) in World War II, came up with a brutal, effective system when faced with a kill or be killed situation.

Fairbairn wasn't just a fighter by trade — he was a fighter by necessity. He lived in a time and place of constant fighting, with his life always at risk. He had hundreds of scars in different parts of his body to describe the constant danger he was in. He adapted to this danger and became a formidable fighter who perhaps has no equal.

William Ewart Fairbairn was a British Royal Marine and police officer. He developed hand-to-hand combat methods for the Shanghai Police during the interwar period, as well as for the allied special forces during World War II. He created his own fighting system known as Defendu. Notably, this included innovative pistol shooting techniques and the development of the Fairbairn-Sykes Fighting Knife. The television series Secrets of War suggested him as a possible inspiration for Q branch in James Bo

William E. Fairbairn - Wikipedia

Based on his training and knowledge in boxing, wrestling, Savate, Jujutsu, Judo and street fighting he was involved in during his police work, Fairbairn began to develop his own system of hand to hand combat, initially referring to it as "Defendu". It was designed to be simple to learn and to provide effective results.
