Allanons Quest Paladins Of Shannara

Allanon's quest to find a Shannara heir is already known to be successful, as this story was written long after The Sword of Shannara, so there's no real suspense. It's basically a small filler to the Shannara mythology. Not a necessary filler, or even what one might call a good one, but a filler, nevertheless.

Allanon's Quest (Paladins of Shannara, #1) by Terry Brooks

This book covers the story of Allanon the Druid's quest to find someone of the Shannara bloodline and is set in the time just before and leading up to Mr. Brook's first novel Sword of Shannara. In and of itself the story is well told and an enjoyable short read but as a prelude to the original story it is oh so much more.
