Deadly Secrets Tangled Lies Woven truths Incapable. Awkward. Artless. That's what the other girls whisper behind her back. But sixteen-year-old Adeline Lewys has a secret: She wants to fail. Gifted with the ability to weave time with matter, she's exactly what the Guild is looking for, and in the world of Arras, being chosen to work the looms is everything a girl could want. It means privilege, eternal beauty, and being something other than a secretary. It also means the power to manipulate the very fabric of reality. But if controlling what people eat, where they live, and how many children they have is the price of having it all, Adeline isn't interested. Not that her feelings matter, because she slipped and used her hidden talent for a moment. Now she has one hour to eat her mom's overcooked pot roast. One hour to listen to her sister's academy gossip and laugh at her dad's jokes. One hour to pretend everything's okay. And one hour to escape. Because tonight, they'll come for her.

Deadly Secrets Tangled Lies Woven truths Life. Possibility. Choice. All taken from Adeline by the Guild—until she took them back. But amid the splendid ruins of Earth, Adeline discovers how dangerous freedom can be. Hunted by soulless Remnants sent by Cormac Patton and the

Guild, Adeline finds a world that's far from deserted. Although allies are easy to find on Earth, knowing who to trust isn't. Because everyone has secrets, especially those Adeline loves most. Secrets they would kill to protect. Secrets that will redefine each of them. Torn between two brothers and two worlds, Adeline must choose what to fight for. Altered is Gennifer Albin's thrilling sequel to Crewel. Adeline is about to learn how tangled up her past and future really are. Her parents ran to protect her, but nothing can save her from her destiny, and once she uncovers the truth, it will change everything.

Guild manipulates the citizens of Arras, Adeline discovers that she's not alone, and she must let go of her past to fight for mankind's future. She will have to choose between an unimaginable alliance and a deadly war that could destroy everyone she loves.

In Arras time and space can be manipulated—and so can people. Beautiful Spinsters work day and night in four coventries to ensure a perfect world, but above them all, at the top of the high tower, works the Creweler. Until the Creweler makes a decision to help a young girl escape. Now bound by the strands of the universe, trapped between her memories and mistakes, subject to brutal experiments, Loricel has one more impossible decision to make. *The Girl in the High Tower* is an original short story set in Gennifer Albin's *Crewel World*. The final book in the series, *UNRAVELED*, is available October 7th. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

In Arras, space and time aren't ideas, they are tangible substances woven together by beautiful girls into the very fabric of reality. The looms that create Arras are as controlled as the Spinsters who work them, ensuring a near idyllic world for the average citizen. But at what price? As an election approaches, a surprise weather forecast and

a mysterious stranger hint that not all is as it seems, and a young boy learns that in Arras nothing can be trusted, not even memories. "The Rain is a Lie" is an original short story set in the world of Gennifer Albin's Crewel. The next book in the series, *Altered*, is available October 29th. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

They were made to forget. But they'll never forgive. Everything about Anna's life is a secret. Her father works for the Branch, at the helm of its latest project: monitoring and administering treatments to the four genetically altered boys in the lab below their farmhouse. There's Nick, solemn and brooding; Cas, light-hearted and playful; Trev, smart and caring; and Sam . . . who's stolen Anna's heart. When the Branch decides it's time to take the boys, Sam stages an escape. Anna's father pushes her to go with them, making Sam promise to keep her away from the Branch, at all costs. On the run, with her father's warning in her head, Anna begins to doubt everything she thought she knew about herself. She soon discovers that she and Sam are connected in more ways than either of them expected. And if they're both going to survive, they must piece together the clues of their past before the Branch catches up to them and steals it all away.

In a world woven of secrets, a woman seeks a back-alley tailor for a sinister procedure, but she can't escape from her own tangled web of lies. The women of Arras are expected to fall into assigned roles, serve as loving wives, and provide healthy children into the world's tapestry. But perfection comes at a price and not even the looms of Arras can manipulate away every problem in the fabric of life. Something Karoline Swander knows all too well. She has a respectable job, an important husband, and she's about to commit treason. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
