Planet Earth is an
amazing place, to say
the least. And even
though we ' ve been
living on its surface our
entire life, there are still
a lot of things we don ' t

What 's even more
interesting about some
of these is the fact that
they have wide-scale
implications on
everything around
them.

Some Amazing Facts
About the Earth The
earth has an atmosphere
full of gases and it
absorbs almost all the
solar radiation that
enters into the planet.
Only certain gases can
escape from the
