Christopher Miller's *American Cornball* is an indispensable history of our shared legacy of forgotten humor by one of our wittiest cultural observers; it's also "that rare book on humor that is as entertaining as its subject" (Publishers Weekly). From hiccups and henpecked husbands to outhouses and old maids, Miller revisits nearly two hundred comic staples, their (often unseemly) origins, their cultural roots, and what they reveal about American society.

American Cornball A Laffopedic Guide To The Formerly Funny ...
American Cornball: A Laffopedic Guide to the Formerly Funny is a 2014 non-fictional book by Christopher Miller, which acts as a handy reference pool for many old comedy tools and tropes. Miller revisits nearly 200 comic staples, and explains their originals and the context of their humor, and why they were funny then and not so funny now.

American Cornball (Literature) - TV Tropes

Now comes "American Cornball: A Laffopedic Guide to the Formerly Funny," a clever, discursive, meticulously researched guide to explain all that old-fashioned humor of yesteryear.

'*American Cornball*' by Christopher Miller - *The Boston Globe*

American Cornball, the fascinating and entertaining new book by Christopher Miller, describes itself as a "laffopedic guide to the formerly funny," and the word "laffopedic" is just the kind of corny old joke it delights in recording. No one says "laffs" anymore; it's a word out of old comic strips, and anyone who used it today would either be ironically quoting or simply clueless.

American Cornball is Christopher Miller's irresistibly funny illustrated survey of popular humor—the topics that used to make us laugh, from hiccups and henpecked-husbands to outhouses and old maids—and what it tells us about our country yesterday and today. Miller revisits nearly 200 comic staples that have been passed down through our culture for generations, many originating from the vaudeville age. He explores the (often unseemly) contexts from which they arose, why they were funny in their time, and why they eventually lost their appeal. The result is a kind of taxonomy of humor during America's golden age that provides a deeper, more profound look at the prejudices, preoccupations, and peculiarities of a nation polarized between urban and rural, black and white, highborn and lowbrow. As he touches on issues of racism and sexism, cultural stereotypes and violence, Miller reveals how dramatically our moral sensibilities have shifted, most notably in the last few decades. Complete with more than 100 period illustrations, American Cornball is a richly entertaining survey of our shifting comic universe.

Se cumplen treinta años de Los Simpson, esta es la guía definitiva para los fieles seguidores del show animado más popular del mundo entero.

Bob Odenkirk and David Cross, creators of HBO's classic sketch comedy show Mr. Show, present to you this collection of never-before-seen scripts and ideas that Hollywood couldn't find the gumption to green-light. Simply put... HOLLYWOOD SAID NO! Since Mr. Show closed up shop, Bob and David have kept busy with many projects--acting in fun, successful, movies and TV shows, directing things, and complaining about stuff that didn't turn out well to anyone who would listen, and even alone, in silence, inside their own heads. HOLLYWOOD SAID NO! reveals the full-length, never-before-seen scripts for Bob and David Make a Movie (fleshed out with brand-new storyboards by acclaimed artist Mike Mitchell) and Hooray For America!: a satirical power-house indictment of all that you hold dear. This tome also includes a bonus section of orphaned sketch ideas from the Mr. Show days and beyond, suitable for performance by church groups that aren't all koo-koo about religion. What you are looking at online, and are about to buy, is chock-full of comic twists, turns, and maybe a few hard truths. We said "maybe," but what we mean was "probably not." Now, for the first time, take a peek at the scripts that didn't get the go-ahead and ponder a world we can only dream about...and beyond!

Nejúspěšnější a nejdéle vysílaný seriál v dějinách americké televize slaví 30 let! O vlastní pohled na historii, současnost i budoucnost kultovní kreslené rodinky se při té příležitosti rozhodl podílit jeden z nejpovolanějších - profesionální vtipálek, producent a scenárista Simpsonových Mike Reiss.

In *The Comedians*, comedy historian Kliph Nesteroff brings to life a century of American comedy with real-life characters, forgotten stars, mainstream heroes and counterculture iconoclasts. Based on over two hundred original interviews and extensive archival research, Nesteroff's groundbreaking work is a narrative exploration of the way comedians have reflected, shaped, and changed American culture over the past one hundred years. Starting with the vaudeville circuit at the turn of the last century, Nesteroff introduces the first stand-up comedian—an emcee who abandoned physical shtick for straight jokes. After the repeal of Prohibition, Mafia-run supper clubs replaced speakeasies, and mobsters replaced vaudeville impresarios as the comedian's primary employer. In the 1950s, the late-night talk show brought stand-up to a wide public, while Lenny Bruce, Mort Sahl, and Jonathan Winters attacked conformity and staged a comedy rebellion in coffeehouses. From comedy's part in the Civil Rights movement and the social upheaval of the late 1960s, to the first comedy clubs of the 1970s and the cocaine-fueled comedy boom of the 1980s, *The Comedians* culminates with a new era of media-driven celebrity in the twenty-first century.

The authors of the New York Times bestseller *Awkward Family Photos* are back with a hilarious tribute to the unbreakable and sometimes uncomfortable bond between people and their pets. There are few things more rewarding than having a pet. They love us unconditionally, shower us with attention, and because of them, we actually live longer. So, what can possibly be awkward about our animal BFFs? Well . . .

File Type PDF American Cornball A Laffopedic Guide To The Formerly Funny Ebook Christopher Miller

nothing. In fact, we're the awkward ones. We adore our pets, but let's face it—sometimes L-O-V-E makes us go a little overboard. Like giving them middle names, throwing them elaborate birthday parties, and making them a Christmas sweater to match with the rest of the family. Truth is, what they cherish most is our companionship. And maybe that's the reason we care about them so much—because for such simple pleasures, they allow us to be as awkward as we want.

Bob Odenkirk is a legend in the comedy-writing world, winning Emmys and acclaim for his work on Saturday Night Live, Mr. Show with Bob and David, and many other seminal TV shows. This book, his first, is a spleen-bruisingly funny omnibus that ranges from absurdist monologues ("Martin Luther King, Jr's Worst Speech Ever") to intentionally bad theater ("Hitler Dinner Party: A Play"); from avant-garde fiction ("Obituary for the Creator of Madlibs") to free-verse poetry that's funnier and more powerful than the work of Calvin Trillin, Jewel, and Robert Louis Stevenson combined. Odenkirk's debut resembles nothing so much as a hilarious new sketch comedy show that's exclusively available as a streaming video for your mind. As Odenkirk himself writes in "The Second Coming of Jesus and Lazarus," it is a book "to be read aloud to yourself in the voice of Bob Newhart."

Crack a case with Club CSI: in this new middle-grade series about forensic science! Calling all kid crime-solvers: Forensic science isn't just for grown-ups anymore! Thanks to the popularity of shows like CSI: Crime Scene Investigation, forensic science has made its way into the classroom. This new middle-grade series stars a group of students whose forensic science class inspires them to form a "Club CSI:" to investigate crimes and capers at school. As Club CSI: collects clues, readers will love trying to put the pieces together to find out what really happened in this series that is part mystery, part detective story, and just plain fun! In Club CSI: Untitled #2, Ben, Corey, and Hannah will have to use all they've learned about forensic science—plus good old-fashioned detective work and a little bit of luck—to solve their next case! Inspired by the CSI franchise, Club CSI: is "required reading" for young scientists-in-training, or for anyone who loves a good mystery!

Pushed by his father's ambitions and surrounded by expectations about a piano career despite his lack of talent, egocentric Simon Silber, as observed by associate Norm Fayrewether, struggles with the frustrations of his art and his quest for brilliance. Originally published as Simon Silber. Reprint.
