but the version attributed to Dan Emmett and its variations are the most popular. Emmett's lyrics as they were originally intended reflect the mood of the United States in the late 1850s toward growing abolitionist sentiment. The song presented the point of view, common to minstrelsy at the time, that slavery was overall a positive institution.

Popular music is one of the most enduring cultural exports of the United States. My book demonstrates that this tradition of exporting American popular music to the world began with the blackface minstrel shows of the 1830s and 40s. Indeed, racist minstrel shows are part of America's cultural legacy in the international arena.
