On June 25, 1989, the naked corpse of schoolteacher Susan Reinert was found wedged into her hatchback car in a hotel parking lot near Philadelphia's "Main Line." Her two children had vanished. The Main Line Murder Case burst upon the headlines--and wasn't resolved for seven years. Now, master crime writer Joseph Wambaugh reconstructs the case from its roots, recounting the details, drama, players and pawns in this bizarre crime that shocked the nation and tore apart a respectable suburban town. The massive FBI and state police investigation ultimately centered on two men. Dr. Jay C. Smith--By day he was principal of Upper Merion High School where Susan Reinert taught. At night he was a sadist who indulged in porno, drugs, and weapons. William Bradford--He was a bearded and charismatic English teacher and classics scholar, but his real genius was for juggling women--three at a time. One of those women was Susan Reinert. How these two men are connected, how the brilliant murder was carried off, and how the investigators closed this astounding case makes for Wambaugh's most compelling book yet.

A European trading concern hires Marlow to pilot a boat up the Congo River in search of Kurtz—a first-class ivory agent and the manager of the company ' s highly profitable Inner Station—who is believed to be on his deathbed. With a handful of pilgrims as his passengers and a crew of cannibals, Marlow steams his way into the African interior. The terrifying discovery he makes at the end of his journey and the horrors he witnesses along the way have thrilled and disturbed readers for more than a century. A searing indictment of imperialism and a haunting exposé of mankind ' s savage nature, Heart of Darkness is Joseph Conrad ' s masterpiece. This ebook has been professionally proofread to ensure accuracy and readability on all devices. Heart of Darkness is a classic of world literature. The book tells a story about a voyage up the Congo River into the Congo Free State, in the heart of Africa. Marlow, the story's narrator, tells his story to friends aboard a boat anchored on the River Thames, London, England. This setting provides the frame for Marlow's story of his obsession with the ivory trader Kurtz, which enables Conrad to create a parallel between London and Africa as places of darkness. Central to Conrad's work is the idea that there is little difference between so-called civilized people and those described as savages; Heart of Darkness raises important questions about imperialism and racism. Joseph Conrad acknowledged that Heart of Darkness was in part based on his own experiences during his travels in Africa. In 1890, at the age of 32, he was appointed by a Belgian trading company to serve as the captain of a steamer on the Congo River. Joseph Conrad (1857-1924), was a Polish author who wrote in English after settling in England. Conrad is regarded as one of the greatest novelists in English, though he did not speak the language fluently until he was in his twenties. He wrote stories and novels, often with a nautical setting, that depict trials of the human spirit in the midst of an indifferent universe. He was a master prose stylist who brought a distinctly non-English tragic sensibility into English literature.
