That being said, in order to meet the many diverse needs of instructors, and in an attempt to include different types of readings, there is much more material within this book than can feasibly be read in a single semester. Thus, instructors are encouraged to choose which texts best suit their classroom needs.

Once you 've been learning to drive for a little while, your instructor will probably recommend you book your theory test. You will complete this alongside your practical lessons, so you will have to study in your own time between lessons. Don't worry though, we will offer tips to help you practice for this test in the sections below.
