After less than a year in Ballybucklebo, Barry Laverty is settling into the village, and with only a few more months to go before he becomes a full partner in Dr. O'Reilly's medical practice, Barry's looking forward to becoming a fixture in the community. But an unexpected romantic reversal gives him second thoughts. As much as

Barry enjoys the rough and tumble of life in County Down, is tending to routine coughs and colds in a humble G.P.'s shop all he wants out of life? Doctor Fingal Flahertie O'Reilly is going through personal upheavals as well. After mourning his deceased wife for decades, he's finally allowed a new woman into his life. But this budding courtship is not going over well with Kinky Kincaid, the doctors' housekeeper, who fears having her position usurped by O'Reilly's new flame. Meanwhile, life goes on in Ballybucklebo. From a mysterious outbreak at the local school to a complicated swindle involving an unlucky race horse, the two doctors will need all of their combined wit and compassion to put things right again--just in time for their lives to change forever.

Resolving to handle his usual round of eccentric patients before marrying his sweetheart, Dr. O'Reilly helps clear the name of a pigeon-hunting cat and encourages a promising student while his assistant, Barry, considers a romance with a politically outspoken teacher.

The author of An Irish Country Doctor offers a story of the early life of his beloved character Kinky Kincaid, who was once known as Maureen O'Hanlon, a farmer's daughter growing up in the hills and

glens of 1920s County Cork, Ireland, who had a gift for seeing fairies, spirits and the dreaded Banshee. Reprint. 200,000 first printing.

Barry Laverty, a recent medical school graduate, jumps at the chance to join a rural practice in Ballybucklebo, Northern Ireland, until he meets his boss Dr. O'Reilly, a difficult older physician with his own way of doing things.

Patrick Taylor's New York Times and USA Today bestseller, An Irish Country Christmas celebrates the season in this third novel of his beloved series. Barry Laverty, M.B., is looking forward to his first Christmas in the cozy village of Ballybucklebo, at least until he learns that his sweetheart, Patricia, might not be coming home for the holidays. That unhappy prospect dampens his spirits somewhat, but Barry has little time to dwell on his romantic disappointments. Christmas may be drawing nigh, but there is little peace to be found on earth, especially for a young doctor plying his trade in the emerald hills and glens of rural Ireland. Along with his senior partner, Doctor Fingal Flahertie O'Reilly, Barry has his hands full dealing with seasonal coughs and colds, as well as the occasional medical emergency. To add to the doctors' worries, competition

arrives in the form of a patient-poaching new physician whose quackery threatens the health and well-being of the good people of Ballybucklebo. Can one territory support three hungry doctors? Barry has his doubts. But the wintry days and nights are not without a few tidings of comfort and joy. Between their hectic medical practice, Rugby Club parties, and the kiddies' Christmas Pageant, the two doctors still find time to play Santa Claus to a struggling single mother with a sick child and not enough money in the bank. Snow is rare in Ulster, and so are miracles, but that doesn't mean they never happen. . . . In 1973 Belfast, a British Army bomb-disposal expert agrees to go undercover to identify the source of bombs being used by the Provisional IRA only to confront events that shatter his beliefs.

An Irish Country Practice is the twelfth heartwarming installment in New York Times and Globe and Mail bestselling author Patrick Taylor's beloved Irish Country series. Once, not too long ago, there was just a single Irish country doctor tending to the lively little village of Ballybucklebo: Doctor Fingal Flahertie O'Reilly. Now his thriving practice is growing by leaps and bounds. Not only has O'Reilly taken

a new trainee under his wing, Doctor Connor Nelson, he's also added a spirited Labrador puppy to his ever-expanding household at Number One Main Street. Meanwhile, his trusted partner, young Doctor Barry Laverty, finds himself wondering if he's truly ready to settle down and start a family with his lovely fiancée, Sue. As the doctors cope with domestic and professional challenges, they also look after their patients and their ailments, including a mysterious cough, a housewife whose frequent "accidents" may have a disturbing cause, and a respected colleague who might be succumbing to an old vice. All is not sickness and worry, however. There's plenty of joy and merriment to be found as well, from a visiting circus to racing to sailing . . . and maybe even a happy ending or two.

A charming Christmas entry in Patrick Taylor's beloved internationally bestselling Irish Country series, *An Irish Country Yuletide*. December 1965. 'Tis the season once again in the cozy Irish village of Ballybucklebo, which means that Doctor Fingal Flahertie O'Reilly, his young colleague Barry Laverty, and their assorted friends, neighbors, and patients are enjoying all their favorite holiday traditions: caroling, trimming the tree, finding the perfect gifts for their near and dear ones, and anticipating a proper Yuletide feast complete with roast turkey and chestnut stuffing.

There's even the promise of snow in the air, raising the prospect of a white Christmas. Not that trouble has entirely taken a holiday as the season brings its fair share of challenges as well, including a black-sheep brother hoping to reconcile with his estranged family before it's too late, a worrisome outbreak of chickenpox, and a sick little girl whose faith in Christmas is in danger of being crushed in the worst way. As roaring fireplaces combat the brisk December chill, it's up to O'Reilly to play Santa, both literally and figuratively, to make sure that Ballybucklebo has a Christmas it will never forget! Bonus: This heartwarming Yuletide tale also includes several mouth-watering recipes, straight from an Irish country kitchen. Patrick Taylor's devoted readers know Doctor Fingal Flahertie O'Reilly as a pugnacious general practitioner in the quaint Irish village of Ballybucklebo. Now Taylor turns back the clock to give us a portrait of the young Fingal—and show us the pivotal events that shaped the man he would become. In the 1930s, fresh from a stint in the Royal Navy Reserve, and against the wishes of his disapproving father, Fingal O'Reilly goes to Dublin to study medicine. Fingal and his fellow aspiring doctors face the arduous demands of Trinity

College and Sir Patrick Dun's Hospital. The hours are long and the cases challenging, but Fingal manages to find time to box and play rugby—and to romance a fetching, gray-eyed nurse named Kitty O'Hallorhan. Dublin is a city of slums and tenements, where brutal poverty breeds diseases that the limited medical knowledge of the time is often ill-equipped to handle. His teachers warn Fingal not to become too attached to his patients, but can he truly harden himself to the suffering he sees all around him—or can he find a way to care for his patients without breaking his heart? A Dublin Student Doctor is a moving, deeply human story that will touch longtime fans as well as readers who are meeting Doctor Fingal O'Reilly for the very first time. An Irish Country Welcome is a charming entry in Patrick Taylor's internationally bestselling Irish Country series. In the close-knit Northern Irish village of Ballybucklebo, it's said that a new baby brings its own welcome. Young doctor Barry Laverty and his wife Sue are anxiously awaiting their first child, but as the community itself prepares to welcome a new decade, the closing months of 1969 bring more than a televised moon landing to Barry, his friends, his neighbors, and his patients, including a number of sticky questions.

A fledgling doctor joins the practice as a trainee, but will the very upper-class Sebastian Carson be a good fit for the rough and tumble of Irish country life? And as sectarian tensions rise elsewhere in Ulster, can a Protestant man marry the Catholic woman he dearly loves, despite his father's opposition? And who exactly is going to win the award for the best dandelion wine at this year's Harvest Festival? But while Barry and Dr. Fingal Flahertie O'Reilly and their fellow physicians deal with everything from brain surgery to a tractor accident to a difficult pregnancy, there's still time to share the comforting joys and pleasures of this very special place: fly-fishing, boat races, and even the town's very first talent competition! Welcome back to Ballybucklebo, as vividly brought to life by a master storyteller.
