Reference (s) "U Can't Touch This" by MC Hammer. Question 18 from the Impossible Quiz features a picture of an analogue clock face, with four different items drawn on the spots where each of the multipliers of 3 go: a bucket on the 12, a hammer on the 9, a banana on the 3, and a house on the 6. Above them is a phrase with a single word: "Stop...". It might look confusing at first, but simply enough, the answer to this question is the

If you test positive for COVID-19, know what protective steps to take if you are sick or caring for someone. If you test negative for COVID-19, you probably were not infected at the time your sample was collected. However, that does not mean you will not get sick. The test result only means that you did not have COVID-19 at the time of testing.

your math score will improve--significantly! The GRE cannot be "beaten." But it can be mastered--through hard work, analytical thought, and by training yourself to think like a test writer. Many of the problems in this book are designed to prompt you to think like a test writer. For example, you will find "Duals." These are pairs of similar problems in which only one property is different. They illustrate the process of creating GRE questions. * If your target is a 700+ score, this is the book!
