A section 3 would be considered to enable treatment to be restarted in a hospital setting if it cannot be provided in the community. The Approved Mental Health Professional, the assessing Doctor's and the multi-disciplinary team would need to consider risk factors, support available at home and whether the person can be cared for in a less restrictive way including voluntary admission.

What is a Section 3 of the Mental Health Act?

Section 3 is used where the person is already well known to psychiatric services or following an initial assessment under Section 2. Under a Section 3 you can be detained for up to six months in the first instance. This could be renewed for a further six months and then for periods of one year at a time. Section 3 can only be renewed following an assessment by the doctor responsible for your care (Responsible Clinician or RC).

The easy way to prepare for the SAT The College Board has announced a redesign to the SAT in the spring of 2016. There's no doubt that students, parents, and educators are clamoring for a revised and authoritative resource on the latest iteration of this important standardized test. Packed with loads of concept review and practice questions that cover everything you can expect to encounter on the math, reading, and writing sections—and complemented with one-year access to additional SAT practice online—this 2016/2017 edition of SAT For Dummies covers everything you need to increase your chances of scoring higher and getting into the college of your dreams. The SAT is administered annually to more than 2 million students at approximately 6,000 test centers located in more than 170 countries. Nearly every college in America accepts the SAT or SAT Subject Test as part of its admission process. Written by veteran For Dummies author and test preparation guru Geraldine Woods, 2016/2017 SAT For Dummies breaks down the topics covered on the redesigned SAT into easily digestible parts and gives you ample practice opportunities to pinpoint where you need more help and go on to master every subject. Offers strategies to stay focused on SAT test day Helps you gauge how you measure up as you prepare for the SAT Includes tips on how to manage your time wisely Provides practice problems and exercises in print and digital formats to take your skills to the next level If the thought of preparing for the SAT makes you sweat, fear not! 2016/2017 SAT For Dummies takes the intimidation out of the exam and arms you with the confidence and know-how you need to make it your minion.

The best way to prepare for standardized tests is to practice, and this new edition of our popular ACT resource offers test-takers plenty of opportunities to do just that. 1,471 ACT Practice Questions, 6th Edition, includes 3 full-length practice ACT tests and hundreds of additional practice questions (equivalent to more than 3 additional ACTs!) broken down by subject for extensive extra practice. Inside, students will find tons of material to familiarize them with the exam, drills with detailed answers and explanations to help them break down questions step by step, and all the practice they need to get the score they want.
