Succeeding as a centrist in public life these days can be an almost impossible task. But centrism in law enforcement may be the most delicate challenge of all. Bratton's ability to practice it was a startling phenomenon." –New York Times Book Review The epic,

guard was dismayed by him, too. But his success fighting crime could not be denied.

Propelled by extraordinary results, Bratton had a dazzling rise, and ultimately a dazzling career, becoming the most famous police commissioner of modern times. The Profession is the story
