Jim Turner captures Arizona's history with engaging words accompanied by scenic and historic images that define the spirit of this last frontier outpost of the continental United States. Arizona is a colorful, comprehensive, and exciting history of the Grand Canyon State from its prehistoric origins, to its definitive Native American, Spanish, and Wild West cultures, to its present biotech industries.

'A Dancer's Final Bow' is a collection of autobiographical sketches based on her childhood in Colorado, her experience as a single mother, and her life as a dancer. 'Chokecherries' evokes an early life spent in Chuenne Canyon surrounded by Native American love. 'The Cherry Coke' commemorates he first romance in the fifth grade. 'Green' calls on memories of a mean fatal sledding accident when she was 13. 'The Boarders' reflects on her el

From the year of Arizona's statehood to its centennial in 2012, narratives of the state and its natural landscape have revealed—and reconfigured—the state's image. Through official state and federal publications, newspapers, novels, poetry, autobiographies, and magazines, Kim Engel-Pearson examines narratives of Arizona that reflect both a century of Euro-American dominance and a diverse and multilayered cultural landscape. Examining the written record at twenty-five-year intervals, Writing Arizona, 1912–2012 shows us how the state was created through the writings of both its inhabitants and its visitors, from pioneer reminiscences of settling the desert to modern stories of homelessness, and from early-twentieth-century Native American “as-told-to” autobiographies to those written in Natives’ own words in the 1970s and 1980s. Weaving together these written accounts, Engel-Pearson demonstrates how government leaders' and boosters' promotion of tourism—often at the expense of minority groups and the environment—was swiftly complicated by concerns about ethics, representation, and conservation. Word by word, story by story, Engel-Pearson depicts an Arizona whose narratives reflect celebrations of diversity and calls for conservation—yet, at the same time, a state whose constitution declares only English words “official.” She reveals Arizona to be constructed, understood, and inhabited through narratives, a state of words as changeable as it is timeless.

Add fun, history, and jaw-dropping natural wonders to your southwestern road trip with RoadTrip America's Arizona and New Mexico: 25 Scenic Side Trips, each one beginning and ending at an Interstate highway and drivable within a day. Full-color maps and photographs illustrate easy-to-follow scenic routes through breathtaking landscapes and iconic towns in Arizona and New Mexico. Discover the surreal beauty of White Sands, watch the sun set over Monument Valley, or explore the subterranean marvels of Carlsbad Caverns. Find out why Jerome was "the Wickedest Town in the West" or walk in the footsteps of Wyatt Earp in Tombstone. Pamper yourself at a spa in Taos or soak up the vibes at an "energy vortex" in the red rocks of Sedona. With this brand-new, up-to-date guide as your companion, all this and much, much more will be yours to discover and enjoy—one extra day at a time! Stunning color imagery and photography throughout Easy-to read, full-color route maps with points of interest, mileage, and more Color-coded pages for easy identification of routes by geographic region Up-to-date insider tips for getting the most out of each route and staying safe Phone numbers, websites and visitor info for parks, attractions, and out-of-the-ordinary lodging & dining Researched and written by native Arizonan and adventure traveler Rick Quinn, whose road trips have taken him from Tierra del Fuego to Alaska and San Francisco to Washington D.C. Photographer, travel writer, and anthropologist, Quinn is an expert on the topography, history, and culture of the American southwest and how best to enjoy its wonders by automobile. -- Rick Quinn

Discover 25 scenic alternatives to Interstates that take only a few hours to enjoy. Stunning photography, detailed maps, and easy-to-follow narrative guide the way through breathtaking landscapes and iconic western towns in Arizona and New Mexico. Packed with up-to-date discoveries, enchanting history, roadside wonders, and best-kept secrets, this outstanding new guidebook adds extraordinary two-lane adventure to straight-line Interstate road trips.

David Brower, who has always regretted the Sierra Club's failure to save the Glen Canyon, called it The Place No One Knew. But Katie Lee was among a handful of men and women who knew the 170 miles of Glen Canyon very well. She'd made sixteen trips down the river, even named some of the side canyons. Glen Canyon and the river that ran through it had changed her life. Her descriptions of a magnificent desert oasis and its rich archaeological ruins are a paean to paradise lost.In 1963, the U.S. Government's Bureau of Reclamation (the Wreck-the-nation bureau, Katie calls it) shut off the flow of the Colorado River at Glen Canyon Dam, beginning the process of flooding this natural treasure. Two generations have been born since the dam was built, and in a few more decades there may be no one alive who will have known the place. Katie Lee won't forget Glen Canyon, and she doesn't want anyone else to forget it either. She tells us what there was to love about Glen Canyon and why we should miss it. The canyon had great personal significance for her: She had gone to Hollywood to make her career as an actress and a singer, but the river kept calling her back, showing her a better way to live. She very eloquently weaves her personal story into her breathtaking descriptions of the trips she made down the canyon.In recent years, Katie has found allies in her struggle to restore the canyon. The Glen Canyon Institute has been joined by the Sierra Club in calling for the draining of Lake Powell (Rez Foul, in Katie's words), and the idea is being debated on editorial pages across the country and in congressional hearings. All My Rivers Are Gone celebrates a great American landscape, mournsits loss, and challenges us to undo the damage and forever prevent such mindless destruction in the future.

Arizona Rattlesnake Tales takes the reader back in time to experience the unimaginable hardships cowboys and pioneers faced while living amongst the dreaded “rattler,” in a time when antivenom was nonexistent and a rattlesnake bite was often a death sentence. The book includes vintage clippings—unedited reports from 1866–1923 newspapers that paint a clear picture of the extreme adversity and tragedy early settlers dealt with. The tales are scary, exciting, humorous, and oftentimes sad, and they all help to illuminate this fascinating time and place in U.S. history.

If you're a true Arizona history buff, there's no other book like Arizona Rattlesnake Tales!

The world-famous Grand Canyon is only one of Arizona's spectacular natural features. Arizona encompasses over 90 wilderness areas, more than 15 national parks and monuments, and the largest national forest in the country. Expansive mesas, high peaks, and snaking canyons create a dynamic landscape and reflect a rich geologic and human history. Backpacking Arizona is the only guide devoted to overnight trips in the state. You'll discover the maze of side canyons and hidden grottos in the Grand Canyon's untrammled backcountry, historic pioneer trails on the Mogollon Rim, the little-traveled Blue Range, and the legendary Superstition Mountains in the Sonoran Desert.
