Arlen Roth is one of the best known Tele session men in the business, and while he's no Byron or Keats, the explanations are simple enough to follow, and the exercises (there are hundreds of them so do not fret (har har) that you'll run out any time soon) are great mix - some challenging, some easy, but most importantly all authentic sounding.

Arlen Roth is a supremely gifted musician and guitar player, author, innovator, and instructor. He is known for his innovation in the world of slide guitar (he published his first book on the subject in 1973 at just 21 years old), for pioneering instructional video guitar teaching with his Hot Licks series, and for collaborating and touring with all kinds of artists, from the Bee Gees to Huey Lewis and the News to Simon and Garfunkel.
