Around The World Day Trading The Spy

About the only holiday in common around the world is the New Year's Day and sometimes Christmas, and even that depends on what day of the week it falls on. As regards the opening of the trading week, there is no officially designated starting time to the trading day or week.

2. Around the world in a trading day - A round up -

International trade touches us all. We drink soda from cans made of aluminum mined in Australia, wear shoes made in Europe, eat fruit from South America, build machinery from steel milled in Asia, wear clothes made from African cotton, and live in homes built from North American wood. We take it for granted, yet before we can enjoy these products and materials, traders must negotiate prices and deliver the goods through a network of relationships that literally spans the globe.
