In eight remarkable chapters of August 1914 (the so-called Stolypin cycle), Solzhenitsyn painted a portrait of the statesman Pyotr Stolypin, scourge of the revolutionary left and reactionary right alike and the last best hope for Russia's salvation. Prime Minister of Russia from 1906 until 1911, Stolypin's abiding concern was to promote far-reaching agrarian reforms that would lead to the creation of a "solid class of peasant proprietors" in Russia.
