America's best-selling and best-loved guide to baby gear is back with an updated and revised edition! Yes, a baby book that actually answers the big question about having a baby: How am I going to afford all this? With the average cost of a baby topping \$7400 for just the first year alone, new parents need creative solutions and innovative ideas to navigate the consumer maze that confronts all parents-to-be. Baby Bargains is the answer! Inside, you'll discover: * BEST BET PICKS for cribs, car seats, strollers, high chairs, diapers and more! * CHEAT SHEETS for your baby registry--create a baby registry in minutes with our good, better, best ideas. * SEVEN THINGS no one tells you about baby gear, from nursery furniture to feeding baby. * THE TRUTH ABOUT STROLLERS--and which brands work best in the real world. * Dozens of SAFETY TIPS to keep baby safe and affordably baby proof your home. * DETAILED CHARTS that compare brands of cribs, high chairs, car seats and more. This new 14th edition adds the latest tips and advice on getting bargains on baby gear, including: Streamlined recommendations by parenting lifestyle, from a crib for space-challenged urban parents to an affordable car seat for Grandma's car. New recommendations for baby feeding, from baby food processors to storage ideas for homemade baby food. BUDGET-FRIENDLY picks for dozens of items, from high chairs to infant car seats. Expanded coverage of new baby gear items, like extra-large playpens, sleep soothers and more

Over the course of the thirteenth and fourteenth centuries, the Christian kings of Aragon recruited thousands of foreign Muslim soldiers to serve in their armies and as members of their royal courts. Based on extensive research in Arabic, Latin and Romance sources, 'The Mercenary Mediterranean' explores this little-known and misunderstood history.

This critical edition provides unique access to a work which has challenged scholars and students alike. The book is the first to deal fully with the poem as literature and to supply the runic background necessary for an understanding of the raw materials with which the poet was working. The introduction offers a thorough discussion of the origin, development, and uses of runes before proceeding to the close examination of text, language, literary sources, style, and themes of the poem. Following the text and translation of the poem proper, detailed explanatory notes pay particular attention to the background of each individual rune and rune name, and the appendixes provide analogous material to assist in setting the poet's achievement into the runic context. Since many of the sources necessary for an accurate assesement of the Old English Rune Poem are written in foreign or dead languages, modern English translations have been provided throughout to ensure that the poem will be accessible to students as well as to professional medievalists. (McMaster Old English Studies and Texts 2)

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

A NEW YORK TIMES BEST SELLER Deep in the water, Mr. Fish swims about With his fish face stuck In a permanent pout. Can his pals cheer him up? Will his pout ever end? Is there something he can learn From an unexpected friend? Swim along with the pout-pout fish as he discovers that being glum and spreading "dreary wearies" isn't really his destiny. Bright ocean colors and playful rhyme come together in this fun fish story that's sure to turn even the poutiest of frowns upside down.The Pout-Pout Fish is a 2009 Bank Street - Best Children's Book of the Year.

This volume of essays contains contributions from a very wide range of British, American and Spanish scholars. Its primary concern is the relationships between the various ethnic, cultural, regional and religious communities that co-existed in the Iberian peninsula in the later Middle Ages. Conflicts and mutual interactions between them are here explored in a range of both historical and literary studies, to expose something of the rich diversity of the cultural life of later medieval Spain.

Offers tips on planning an inexpensive wedding, including advice on gown deposits, ceremony and reception sites, and selecting invitations

In Lives of the Sophists Philostratus (second to third century CE) depicts the widespread influence of Sophistic in the second and third centuries CE. Lives of Philosophers and Sophists by Eunapius (born 347 CE) is our only source concerning Neo-Platonism in the latter part of the fourth century CE. Of the distinguished Lemnian family of Philostrati, Flavius Philostratus "the Athenian," ca. 170-205 CE, was a Greek sophist who studied at Athens and later lived in Rome. He was author of the admirable Life of Apollonius of Tyana (Loeb nos. 16 and 17) and of Lives of the Sophists, a treasury of information about notable sophists. Philostratus's sketches of sophists in action yield a fascinating picture of the predominant influence of Sophistic in the educational, social, and political life of the Empire in the second and third centuries. The Greek sophist and historian Eunapius was born at Sardis in 347 CE, but went to Athens to study and lived much of his life there teaching rhetoric and possibly medicine. He was initiated into the mysteries and was hostile to Christians. His Lives of Philosophers and Sophists (mainly contemporary with himself) is our only source for knowledge of Neo-Platonism in the latter part of the fourth century.

Agnes and Honey have always been best friends, but they haven't always been so different. Agnes loves being a Believer. She knows the rules at the Mount Blessing religious commune are there to make her a better person. Honey hates Mount Blessing and the control Emmanuel, their leader, has over her life. The only bright spot is the butterfly garden she's helping to build, and the journal of butterflies that she keeps. When Agnes's grandmother makes an unexpected visit to the commune, she discovers a violent secret that the Believers are desperate to keep quiet. And when Agnes's little brother is seriously injured and Emmanuel refuses to send him to a hospital, Nana Pete takes the three children and escapes the commune. Their journey begins an exploration of faith, friendship, religion and family for the two girls, as Agnes clings to her familiar faith while Honey desperately wants a new future.
