Special Agent Jesse Colton had a strong instinct to say no to sweet, vulnerable Samantha Cosgrove. Not because he doubted her shocking claim—that her boss was sharing government secrets—but because the innocently seductive blond beauty made him want to say yes...to anything her heart desired. He was one of the Agency's finest. But Samantha wished someone had warned her that Jesse Colton was tall, dark and handsome. Now he was posing as her boyfriend to protect her from a dangerous web of deceit—but his own “pretend” kisses made her traitorous body wish he'd perform more husbandly duties....

In 1990, the UN Convention on the Rights of the Child declared that children's "survival, protection, growth and development in good health and with proper nutrition is the essential foundation of human development." Drawing from many disciplines - history, anthropology, demography, art history, disability studies, and sociology - and across a broad geography, *Healing the World's Children* sheds light on the medical, political, and cultural dimensions of the efforts to preserve and protect the lives of our most vulnerable citizens.

“ Jody is a masterful storyteller, with beautifully developed characters, incredible landscapes and every now and then she throws in a plot twist that will leave you reeling. ”

—Goodreads review Did you hear the rumor about the girl from the wrong side of the tracks who intentionally got pregnant with her wealthy boyfriend ' s baby? The one thing that ' s made perfect sense in Ginny Adair ' s eighteen years was falling for level-headed Eric Cavanaugh. Growing up wasn ' t exactly the same kind of party for her that it was for her boyfriend. While Eric and the other quintuplets ran roughshod over their family ' s Texas ranch, Ginny was hiding from a cruel stepfather with a compulsive gambling habit. Uncertain if leaving for college might mean losing the one person she ' s come to count on, all it takes is a single misstep for Ginny to unravel both of their lives. Now the entire small town is convinced Ginny always intended on cashing in on the notoriety of snagging herself a Kingsbrier Quintuplet. Eric Cavanaugh ' s infamously misbehaved siblings count on his dependability. Stable grades. Stable relationship with a girlfriend the rest of the quints agree is just about the nicest, smartest, most trustworthy person they know. But when Ginny ' s actions prove deceitful, it leaves Eric ' s solid plan to take over the family business on shaky ground and leaves him questioning if his brothers and sisters have misplaced their confidence in him. To make matters worse, Ginny ' s stepfather is proving he ' ll do anything to get his hands on Eric ' s trust fund. Eric knows Ginny isn ' t like that and will do anything to earn his forgiveness. Some mistakes change the course of your future... But a baby is a mistake you can ' t take back.
