The celebrated author of *Border* explores a mysterious, ancient, and little-understood corner of Europe Lake Ohrid and Lake Prespa. Two ancient lakes joined by underground rivers. Two lakes that seem to hold both the turbulent memories of the region's past and the secret of its enduring allure. Two lakes that have played a central role in Kapka Kassabova's maternal family. As she journeys to her grandmother's place of origin, Kassabova encounters a historic crossroads. The lakes are set within the mountainous borderlands of North Macedonia, Albania, and Greece, and crowned by the old Via Egnatia, which once connected Rome to Constantinople. A former trading and spiritual nexus of the southern Balkans, this lake region remains one of Eurasia's most diverse corners. Meanwhile, with their remote rock churches, changeable currents, and large population of migratory birds, the lakes live in their own time. By exploring on water and land the stories of poets, fishermen, and caretakers, misfits, rulers, and inheritors of war and exile, Kassabova uncovers the human destinies shaped by the lakes. Setting out to resolve her own ancestral legacy, Kassabova locates a deeper inquiry into how geography and politics imprint themselves upon families and nations, one that confronts her with universal questions about human suffering and the capacity for change.

The instant New York Times bestseller! Hot on the heels of *The Twin*, the undisputed queen of YA thrillers is back with a scary and suspenseful read about a summer camp filled with dark secrets. Esme and Kayla once were campers at Camp Pine Lake. They're excited to be back this year as CITs (counselors in training). Esme loves the little girls in her cabin and thinks it's funny how scared they are of everything--spiders, the surly head counselor, the dark, boys . . . even swimming in the lake! It reminds her a little of how she and Kayla used to be, once. Before . . . it happened. Because Esme and Kayla did something bad when they were campers. Afterwards, the girls agreed to keep it secret. They've moved on--or so they say--and this summer is going to be great. Two months of sun, s'mores, and flirting with the cute boy counselors. But then they get a note. **THE LAKE NEVER FORGETS**. And the secret they've kept buried for so many years is about to resurface.

THE INSTANT NEW YORK TIMES BESTSELLER Named a most anticipated summer book by USA Today, People, E! News, Cosmopolitan, PureWow, CNN.com, New York Post, CrimeReads, POPSUGAR, and more The bestselling author of *Final Girls* and *Survive the Night* is back with his "best plot twist yet." (People, "Best Summer Books") Be careful what you watch for . . . Casey Fletcher, a recently widowed actress trying to escape a streak of bad press, has retreated to the peace and quiet of her family's lake house in Vermont. Armed with a pair of binoculars and several bottles of bourbon, she passes the time watching Tom and Katherine Royce, the glamorous couple living in the house across the lake. They make for good viewing—a tech innovator, Tom is powerful; and a former model, Katherine is gorgeous. One day on the lake, Casey saves Katherine from drowning, and the two strike up a budding friendship. But the more they get to know each other—and the longer Casey watches—it becomes clear that Katherine and Tom's marriage isn't as perfect as

it appears. When Katherine suddenly vanishes, Casey immediately suspects Tom of foul play. What she doesn't realize is that there's more to the story than meets the eye—and that shocking secrets can lurk beneath the most placid of surfaces. Packed with sharp characters, psychological suspense, and gasp-worthy plot twists, Riley Sager's *The House Across the Lake* is the ultimate escapist read . . . no lake house required.

For fans of *Small Spaces*, *Doll Bones*, and *Mary Downing Hahn*, a truly chilling (and historically inspired) ghost story from the talented author of *The Forgotten Girl*. Celeste knows she should be excited to spend two weeks at her grandparents' lake house with her brother, Owen, and their cousins Capri and Daisy, but she's not. Bugs, bad cell reception, and the dark waters of the lake... no thanks. On top of that, she just failed her swim test and hates being in the water—it's terrifying. But her grandparents are strong believers in their family knowing how to swim, especially having grown up during a time of segregation at public pools. And soon strange things start happening—the sound of footsteps overhead late at night. A flickering light in the attic window. And Celeste's cousins start accusing her of pranking them when she's been nowhere near them! Things at the old house only get spookier until one evening when Celeste looks in the steamy mirror after a shower and sees her face, but twisted, different... Who is the girl in the mirror? And what does she want? Past and present mingle in this spine-tingling ghost story by award-winning author India Hill Brown.

From the bestselling author of *House of Shadows* and *The Phantom Tree* comes a spellbinding tale of jealousy, greed, plotting and revenge—part history, part mystery—for fans of *Kate Morton*, *Susanna Kearsley* and *Barbara Erskine*. London, 1765. Lady Isabella Gerard, a respectable member of Georgian society, orders her maid to take her new golden gown and destroy it, its shimmering beauty tainted by the actions of her brutal husband the night before. Three months later, Lord Gerard stands at the shoreline of the lake, looking down at a woman wearing the golden gown. As the body slowly rolls over to reveal her face, it's clear this was not his intended victim... 250 Years Later... When a gown she stole from a historic home as a child is mysteriously returned to Fenella Brightwell, it begins to possess her in exactly the same way that it did as a girl. Soon the fragile new life Fen has created for herself away from her abusive ex-husband is threatened at its foundations by the gown's power over her until she can't tell what is real and what is imaginary. As Fen uncovers more about the gown and Isabella's story, she begins to see the parallels with her own life. When each piece of history is revealed, the gown—and its past—seems to possess her more and more, culminating in a dramatic revelation set to destroy her sanity.

This riveting novel of love and mystery from the author of *The Things They Carried* examines the lasting impact of the twentieth century's legacy of violence and warfare, both at home and abroad. When long-hidden secrets about the atrocities he committed in Vietnam come to light, a candidate for the U.S. Senate retreats with his wife to a lakeside cabin in northern Minnesota. Within days of their arrival, his wife mysteriously vanishes into the watery wilderness.
