Looking for an easy-to-use guide to English grammar? This handy introduction covers all the basics of the subject, using a simple and straightforward style. Students will find the book's step-by-step approach easy to follow and be encouraged by its non-technical language. Requiring no prior knowledge of English grammar, the information is presented in small steps, with objective techniques to help readers apply concepts. With clear explanations and well chosen examples, the book gives students the tools to understand the mysteries of English grammar as well as the perfect foundation from which to move on to more advanced topics.

Basic English Grammar is a classic developmental skills text for beginning students of English as a second or foreign language. It uses a grammar-based approach integrated with communicative methodologies to promote the development of all language skills. While keeping the same basic approach and materials as in earlier editions, the fourth edition continues to build on the foundation of understanding form and meaning by engaging students in meaningful communication about real actions, real things, and their own lives in classroom context. Several of the new features are: Information in the grammar charts highlighting important differences between spoken and written English; Step-by-step writing activities with models for students to follow; Innovative warm-up exercises that precede the grammar charts and introduce points to be taught; Newly created exercises to give students more incremental grammar practice; Structure-based listening exercises that introduce students to relaxed, reduced speech"--Page 4 of cover.

This two-book series was written specifically for English language

learners and covers all the basic grammar topics for beginners. Contains clear and concise explanations of the rules and illustrates them with numerous examples. The "Did You Know?" and "Grammar Help" notes add further to the understanding of basic grammar. These books will give English language learners a clear understanding of core grammar skills and help lay a strong foundation for good English. Each book includes 150-pages plus of grammar examples and instruction.

Basic English Grammar is a classic developmental skills text for beginning students of English as a second or foreign language. The Workbook consists of self-study exercises, with answers included, providing students with the opportunity to explore and practice grammar independently. It is keyed to the explanatory grammar charts in the Student Book. Volume B of the Workbook includes Chapters 9-15 plus the Appendices. New to this edition: more contextualized exercises micro-practice new readings with targeted grammar practice updated real-world vocabulary
