4.5 Vowing Stars Berrr's Vow is book 4 in the Zorn Warriors series. We are taken back to Zorn were Warrior's want human women to bound with; because they can fulfill all there sexual needs. Zorn is a planet with a high sex drive and if the men don't have sex they die. How they manage to get any work done amazes me.

Berrr's Vow (Zorn Warriors #4) - Page 1. Chapter One. Shanna glared at the frightening large aliens who surrounded her. Her wrists hurt but she ignored the pain caused by her attempt to twist free of the manacles securing her. As one of the alien men lunged forward again, trying to grab her, she screamed in rage and swung out her right leg to kick.

Berrr's Vow (Zorn Warriors #4) - Page 54. He turned his head, his beautiful eyes looking really sad as their gazes locked. "She will kill you, my Shanna, and I can't stand to bury you. I would bow to her, set aside my pride to save you from death. You matter more to me than the shame I would feel to show her submission in front of my people."

This fourth audiobook in the Zorn warriors series was about the great Hyvin Berr, father to the heroes in the first three books and leader of all Zorn. He was, if you remember, rather outspoken about not allowing his son Ral to bound with his human Ariel which caused lots of problems.
