TripSavvy / Lara Antal Oahu: Ideal for Families . Oahu is known as the " Gathering Place, " and for good reason. This island is by far the most popular for travelers, partially due to the accessibility of everything from nightclubs and world-class restaurants to sandy beaches and quaint surf towns. Honolulu, the state capital, is located on this island.

The finest guidebook ever written for Kaua ' i. Now you can plan your best vacation—ever. This all new eleventh edition is a candid, humorous guide to everything there is to see and do on the island. Best-selling author and longtime Hawai ' i resident, Andrew Doughty, unlocks the secrets of an island so lush and diverse that many visitors never realize all that it has to offer. Explore with him as he reveals breathtaking trails, secluded beaches, pristine reefs, delicious places to dine, relaxing resorts, exciting waterfalls, colorful canyons and so much more. Every restaurant, activity provider, business and resort is reviewed personally and anonymously. This book and a rental car are all you need to discover what makes Kaua ' i so exciting. • The most accurate up-to-date information available anyplace with up-to-the-minute changes posted to our website and smartphone app. The app is an optional separate purchase and includes features not possible in a book, but it provides free access to all 76 resort reviews with our detailed aerial photos—so you ' ll know if oceanfront really means oceanfront—and you can filter them fast for the features and amenities you ' re looking for. • Frank, brutally honest reviews of restaurants, hotels and activities show you which companies really are the best...and which to avoid—no advertisements • Driving tours let you structure your trip your way, point out sights not to be missed along the way and are complemented by over 115 spectacular color photographs • 15 specially created maps in an easy-to-follow format with mile markers so you ' ll always know where you are on the island • Clear, concise directions to those hard-to-find places, such as deserted beaches, tropical jungles, hidden waterfalls, rugged scenic coastlines, water-filled lava pools and scores of other hidden gems listed nowhere else • Exclusive chapter on Kaua ' i ' s beaches with detailed descriptions, including ocean safety • Unique Adventures chapter and over 70 pages of exciting activities from ATVs to ziplines • All new and expanded Island Dining chapter with over 168 places to eat • Fascinating sections on Hawai ' i ' s history, culture, language and legends

Describes points of interest and itineraries for each region of Hawaii's main island, and recommends hotels, restaurants, and entertainment.

Experienced and novice hikers alike will benefit from the information in this updated and expanded edition of the best-selling The Hikers Guide to O ahu. The author describes in detail 52 trails that will take you to O ahu ' s lush valleys, cascading waterfalls, windswept ridges, and remote seacoasts. Although 8 trails from the previous edition are no longer open to the public, 10 new hikes have been added. Included for each hike are directions for reaching the trailhead, a detailed route description, and information on the length of the hike, degree of difficulty, and trail conditions. For GPS users, UTM coordinates have been added for the midpoint or endpoint of each route. An expanded notes section will help readers identify geological features, historical points of interest, and commonly encountered plants and birds along the trail. The full-color insert of 22 photos will inspire hikers to explore different trails.

Elegant, brutal, and profound—this magnificent debut captures the grit and glory of modern Hawai'i with breathtaking force and accuracy. In a stunning collection that announces the arrival of an incredible talent, Kristiana Kahakauwila travels the islands of Hawai'i, making the fabled place her own. Exploring the deep tensions between local and tourist, tradition and expectation, façade and authentic self, This Is Paradise provides an unforgettable portrait of life as it ' s truly being lived on Maui, Oahu, Kaua'i and the Big Island. In the gut-punch of " Wanle, " a beautiful and tough young woman wants nothing more than to follow in her father ' s footsteps as a legendary cockfighter. With striking versatility, the title story employs a chorus of voices—the women of Waikiki—to tell the tale of a young tourist drawn to the darker side of the city ' s nightlife. " The Old Paniolo Way " limns the difficult nature of legacy and inheritance when a patriarch tries to settle the affairs of his farm before his death. Exquisitely written and bursting with sharply observed detail, Kahakauwila ' s stories remind us of the powerful desire to belong, to put down roots, and to have a place to call home.

The finest guidebook ever written for Maui. Now you can plan your best vacation--ever. This all new ninth edition is a candid, humorous guide to everything there is to see and do on the island. Best-selling author and longtime Hawai'i resident, Andrew Doughty, unlocks the secrets of an island so lush and diverse that many visitors never realize all that it has to offer. It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia) Important Notice: The digital edition of this book may not contain all of the images found in the physical edition.

First-time visitors to Hawaii are often unsure of which island to visit and what to choose to do. No Worries Hawaii comes to the rescue with all the tips, advice, and practical information needed to plan the trip of a lifetime. Ready... Readers first take an "armchair voyage," in which they visualize the type of vacation they'd like to have. These likings are matched with what Hawaii has to offer. A clever but simple self-test allows readers to sort through Hawaii's many assets--beaches, nightlife, trails, gardens, attractions--to determine which are desired and which island is best. Set... In the second step, readers take their decisions from part one and receive all the practical and money-saving advice needed to book a vacation that makes the armchair voyage become a real one. Included is a complete list of what to pack. Go!... The third part of the guide contains tips on what to do and what not to do after arriving in the islands. Sections include how to plan days to maximize fun and avoid hassle, finding free entertainment and cutting down on restaurant expenses. Readers are advised on how to, and whether to, book tours (snorkeling, sailing, helicopter, horseback, etc.). The book's safety tips are a literal lifesaver, and the everyday advice on driving, hiking, and beach-going are essential for a sensational vacation. At the heart of No Worries Hawaii is its Best Of section, a listing of Hawaii's top things to see and do--museums, rainforests, snorkeling coves, walk-around beach towns, surfing spots, attractions, mountain bike and hiking trails, botanical gardens, ancient sites, luxury resorts, bird-watching forests, waterfalls, remote beaches, family beach parks, and more. Some 150 photographs and 5 maps complement the text. Book jacket.

Coffee: A Comprehensive Guide to the Bean, the Beverage, and the Industry offers a definitive guide to the many rich dimensions of the bean and the beverage around the world. Leading experts from business and academia consider coffee ' s history, global spread, cultivation, preparation, marketing, and the environmental and social issues surrounding it today. They discuss, for example, the impact of globalization; the many definitions of organic, direct trade, and fair trade; the health of female farmers; the relationships among shade, birds, and coffee; roasting as an art and a science; and where profits are made in the commodity chain. Drawing on interviews and the lives of people working in the business—from pickers and roasters to coffee bar owners and consumers—this book brings a compelling human side to the story. The authors avoid romanticizing or demonizing any group in the business. They consider basic but widely misunderstood issues such as who adds value to the bean, the constraints of peasant life, and the impact of climate change. Moving beyond simple answers, they represent various participants in the supply chain and a range of opinions about problems and suggested solutions in the industry. Coffee offers a multidimensional examination of a deceptively everyday but extremely complex commodity that remains at the center of many millions of lives. Tracing coffee ' s journey from field to cup, this handbook to one of the world ' s favorite beverages is an essential guide for professionals, coffee lovers, and students alike.
