Taken aback by Aaricia's disappearance, Thorgal is only a shadow of his former self. Eaten away by remorse, the young Shania accompanies him and protects him, begging his pardon... Approached by two strangers, Worgan and Galathorn, they discover that Aaricia is still alive but held captive in the court of Brek Zarith. Ready to do anything to keep himself in power, the illegitimate master of this kingdom, Sharder, uses and abuses his evil sorcerer powers. Despite all this, Thorgal will try, alone, to penetrate the impregnable fortress of Brek Zarith to save his wife and his son, Jolan. This two-volume book includes "The Fall of Brek Zarith".

Jolan has become a robust kid who is interested in everything. The strange signs he draws without knowing their meaning thoroughly intrigue his parents. During one escapade, he makes friends with a boy his age. The child seems to be lost and is terrified of adults. Along with being deaf and mute, he cannot answer questions raised by his mysterious presence. Surprised by a storm, Thorgal has been taken in by an old couple. Without boat or money, he can't return to his village. Perhaps an archery competition will allow him to buy a new boat. Of all the competitors, the beautiful Kriss de Valnor is without any doubt the most formidable... This two-volume book includes "Alinoe".

Thorgal, Aaricia and Kriss de Valnor are finally approaching Mavaxatl, the city of the lost god. When Thorgal understands the real goal of their mission and Kriss' duplicity, he tries to escape - but Kriss is determined to complete the job at hand. An enthralling saga mixing Norse mythology, medieval legends and Atlantean fantasy.

In the wild and inhospitable European far north, in the land of Scandinavian myth and runic legend, Viking warriors discover a child in a space capsule. Leif Haraldson adopts him and gives him the names of his gods: Thorgal Aegirsson, son of Thor (god of lightning) and son of Aegir (master of the sea). Upon Leif's death, the Viking chief Gandalf the Insane isolates Thorgal from others. Only the friendship of Aaricia, the daughter of Gandalf, brightens Thorgal's solitary childhood. Their mutual affection quickly turns into true love. This two-volume book includes "Aaricia".

Good at making up stories, Nola's teacher and friends little realize that Nola's tales, often an extension of her dreams, hint at something strange going on in the small town of Alta Donna that seems to coincide with the appearance of two unusual new kids. Simultaneous.

Jolan has agreed to leave his family and serve Manthor, after he saved Thorgal's life. The mysterious mage has promised him an exceptional destiny - if, that is, the young man proves worthy of it. So begins a series of trials during which Jolan, on his own at first, will meet four other youngsters. They, too, have unusual powers. They, too, are on their way to Manthor's castle. Will they be allies, or enemies?

At the height of the Great War, as relentless advances are sapping the men's morale, a handful of soldiers set off on a desperate journey to Paris and the French parliament to denounce the futility of headquarters' offensive strategy. Volume 2 of 2.

1917. Nivelles "The Butcher" commands the French Army, and the attacks he keeps ordering are pointless slaughters. The soldiers can't take it anymore. Discontent is turning into rebellion, and a petition begins to circulate in secret. When it makes its way to the men of Sergeant Sabiane, they see an opportunity, and what started as a simple cry of defiance becomes a full-blown mutiny when a handful of them decide to take the petition to Paris...

A renowned physicist and the head of MI5 battle threats to the Empire and solve extraordinary mysteries across the globe. The 28th adventure of Blake & Mortimer, the most distinguished duo of gentlemen-adventurers!

This unforgettable debut, set against the dramatic Antarctic landscape, is "refreshingly different, vivid and immediate. Midge Raymond has an extraordinary gift for description that puts the reader bang in the middle of its dangerous and endangered world" (M.L. Stedman, New York Times bestselling author of *The Light Between Oceans*). It is only among the glacial mountains, cleaving icebergs, and frigid waters of Antarctica that Deb Gardener and Keller Sullivan feel at home. For a few blissful weeks each year they study the habits of Emperor and Adelie penguins and find solace in their work and in one another. But Antarctica, like their fleeting romance, is a fragile place, imperiled by the world to the north. Each year, Deb and Keller play tour guide to the passengers on the small expedition ship that ferries them to their research station. But this year, when Keller fails to appear on board,

Deb begins to reconsider their complicated past and the uncertainty of any future they might share. Then, shortly into the journey, Deb's ship receives an emergency signal from The Australis, a cruise liner that has hit desperate trouble in the ice-choked waters of the Southern Ocean. Soon Deb's role will change from researcher to rescuer; among the crew of that sinking ship, Deb learns, is Keller. As Deb and Keller's troubled histories collide in this "original and entirely authentic love story" (Graeme Simsion, author of *The Rosie Project*), Midge Raymond takes us on an unforgettable voyage deep into the wonders of the Antarctic and the mysteries of the human heart. *My Last Continent* is "a sensitive exploration of how the smallest action can ripple through an ecosystem—seemingly impenetrable, but as fragile as the human heart" (The Minneapolis Star-Tribune). "Atmospheric and adventurous...The story and vivid writing will keep readers glued to the pages" (Library Journal).
